WHEREAS, following each decennial federal census, school districts that utilize by trustee area elections must adjust the boundaries of any or all of the trustee areas as necessary to meet the population criteria set forth in Education Code section 5019.5, subdivision (a);

WHEREAS, National Demographics Corporation ("Demographer"), a demographic consulting firm experienced in redistricting issues and requirements, was retained to assist the District in preparing a trustee area redistricting plan for the Board's and public's consideration;

WHEREAS, the Board has conferred with and received guidance and advice from Demographer regarding the current demographic population in the territory of the Board's jurisdiction, based on the official 2020 Census results, and concerning the procedures and policy criteria governing redistricting;

WHEREAS, on November 16, 2021, the Board conducted a duly noticed public meeting to study the population changes in the District as set forth in the 2020 Census and to study the present trustee areas of the District and thereafter agreed that the District's trustee areas be adjusted;

WHEREAS, the Board has considered all public testimony, input, and comments on all redistricting plans;

WHEREAS, the population in the existing trustee areas of each draft trustee area redistricting plan is reasonably equal, in compliance with legal requirements; and
