

Turlock Unified School District

2021-2022 Expanded Volunteer Procedures

The Turlock Unified School District values and encourages volunteer participation in the education of students. However, the District must ensure schools are safe places for students and staff in order to limit the transmission of COVID-19 and therefore keep students in school. Per recommendations from the California Department of Public Health (CDPH), the District will limit the number of visitors or volunteers on a school site, in a classroom, or in a building space. If you would like to serve as a volunteer at one of our school sites, please complete the information below and submit it to the Human Resources Office. The HR Department will notify the specified school site when the proposed volunteer is cleared. The respective school site(s) will coordinate schedules with the cleared volunteer directly in accordance with CDPH recommendations.
