Basketball

Coach Ike Nwankwo (UCLA , LA Lakers) returns to Hong Kong after his first year at Harvard Law School for a very special Summer Camp experience. Coach Ike has designed a very special camp program for students where we will utilize a specially tailored basketball program that focuses on our players coordination, flexibility, agility, and speed to make our kids not only better basketball players but better athletes. During the week we will organize fun games, contests, and special competitions to keep our kids engaged and enjoying themselves. The camp experience provides the perfect opportunity for students of all skill levels to make new friends, and take part in a constructive activity during the summer holiday.

Sports & Leisure Camp

Looking for a way to stay active and have fun this summer? During this week-long, half-day sports camp, students can expect to move their bodies and work their minds playing a variety of sports and leisure activities. Each day, students will work on skills for a different sport (i.e. soccer, ball hockey, handball, etc.). After working on their skills, they will take a break with some slower-paced leisure activities (i.e. card/board games, Minute-to-Win-It challenges, etc.). Each day will finish with a mini-tournament for the sport they practiced earlier that day. Get your game-face ready, and we'll see you at Sports & Leisure Camp!

Multi-Activity Camp

Multi-Activity Camp - Stormy Chefs & ArtCrafters

Not only will you be COOKING UP A STORM, you will also be CREATING SOME AWESOME ART PIECES!! This Summer Holiday our Stormy Chefs will learn to make lots of delicious appetizers, entrees and desserts! After each lesson, they will be proud to bring home something yummy! (Students are required to bring lunch boxes or food containers to take food home). In ArtCrafters we believe that unlocking a child's creativity for longer-term growth is best met with multisensory activities and experimentation. Technique, craft and design are integral parts of the program. ***notify the provider if your child has any known food allergies**
