Hello! My name is Courtney McCurdy with Farmers Insurance.

I am not sure if you are aware but several years ago your employer was enrolled in the **Farmers Preferred Program** which offers ALL employees ADDITIONAL discounts on their auto and homeowners insurance.

This is a prestigious discount only offered to a few professions!

- Farmers Smart Plan Auto policies will receive a 5 percent discount
- Farmers Smart Plan Home policies will receive an 8 percent discount

With the rising costs of insurance, I am so excited to be able to offer these savings!
