

Dear Parents and Guardians,

I am so excited to teach your child next year! They are an amazing group of learners and future leaders. I hope that you and your family have a relaxing summer that allows you to make memories and spend plenty of time outside.

That being said, I have also seen firsthand that working on academic skills with your child throughout the summer can help them to feel ready for the new material they will take on next year. Reading each night just as they have done throughout the school year and completing a few math review pages per week will keep their minds sharp! This packet contains many of the skills they should have obtained in 2nd grade that will prepare them for 3rd grade. It is completely optional but definitely recommended!

Warmly,
Mrs. Riegel

SUMMER READING CHALLENGE

Read six grade level appropriate books this Summer. Draw a scene from the book and write about why or why not you would recommend the book to a friend.

TRACK YOUR READING Minutes

START HERE

Color a
section each
time you read
20 minutes.

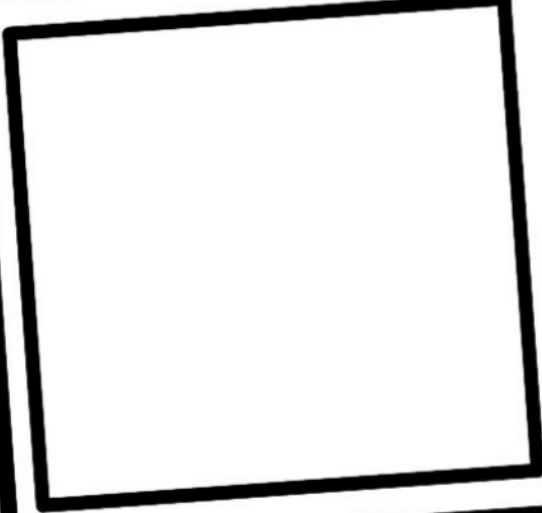

Fact SNAPSHOTS

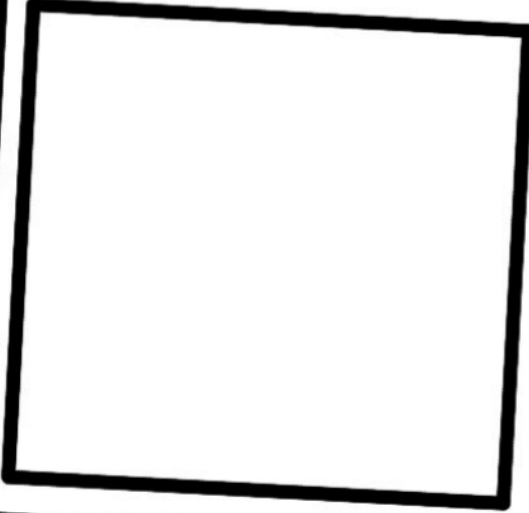

Directions: Draw snapshot pictures to show three interesting facts that you learned. Explain your snapshots on the lines below.

NAME:

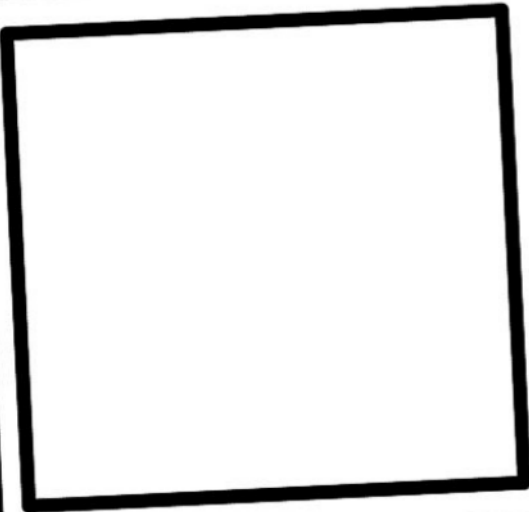

DATE:

Interesting Fact #1 .:

Interesting Fact #2 .:

Interesting Fact #3 .:

NAME:

DATE:

VISUALIZE the Text

Directions: What did you visualize as you read your book? Draw two scenes in the sunglasses that you were able to picture in your mind while reading. Explain what you visualized in the chart below.

NAME:

DATE:

POSTCARD TO THE *Author*

Directions: Write a postcard to the author of your book. Be sure to include your opinion of the book, questions you have, and ideas for a next book. Draw a picture on the stamp to represent something important from the book.

BINGO

Read a book with a movie adaptation	Read an audiobook	Read a book that someone gave you	Read a book published this year	Book that you can finish in one day
Read wearing sunglasses	Read in bed	Read in a fort	Read while eating	Read in pajamas
Read a book that makes you laugh	Read a book with more than 12 chapters	Read a book with a female heroine	Read a book set in a different country	Read a book by a favorite author
Read to a parent	Read outside	Read with a flashlight or headlamp	Read for 1 hour	Read under a tree
Read a book in a series	Read 30 minutes	Read a book by an author you've never read	Read a nonfiction book	Read an award winning book

Favorite Ice Cream Pictograph

Mrs. French and Mr. Miskey are planning a party for their classes. The students are asked to vote for their favorite ice cream flavor. The list below are the results.

Chocolate - 8

Vanilla - 7

Chocolate Chip - 13

Cookie Dough - 8

Strawberry - 5

Use the information from the list to complete the pictograph below and answer the questions.

Flavor	Number of Votes
Chocolate	
Vanilla	
Chocolate Chip	
Cookie Dough	
Strawberry	

- What two flavors did the students like the least? 1. _____
- How many students voted for either cookie dough or strawberry? 2. _____
- How many more students voted for chocolate chip than vanilla? 3. _____
- How many votes were there in all? 4. _____

Addition Word Problems B1

Helen the Hippo and her friends are preparing for Thanksgiving at Helen's house. Find out how many of each food they have prepared for the party.

1. Helen baked 435 chocolate chip cookies yesterday and 139 cookies this morning. How many cookies did Helen bake?
2. Pinky the Pig bought 36 apples while Danny the Duck bought 73. How many apples do they have altogether?
3. Dylan the Dog prepared 241 hotdog sticks in a brown bag. His father placed 426 more hotdog sticks in the same brown bag. How many hotdog sticks did Dylan and his father place in the brown bag?
4. Helen's mother brought 101 hotdogs. After a few hours, Dylan's mother arrived with 379 hotdogs. How many hotdogs do they have altogether?
5. Pinky made 147 miniature pumpkin pies for everyone and Helen made 56. How many miniature pies do they have in total?

Baseball Bar Graph

The school baseball team keeps track of how many runs each player gets. Use the graph below to answer the questions.

1. How many runs did Sarah have? 1. _____
2. How many runs did the player with the most runs have? 2. _____
3. How many more runs did Doug have than Sarah? 3. _____
4. How many fewer runs did Mark have than Tracy? 4. _____
5. How many runs did Mark and Patty have? 5. _____
6. Who has more runs: Mark and Doug or Tracy and Patty? 6. _____
7. Which two players' runs added together are less than Tracy's? 7. _____
8. Jose scores five more runs than Tracy.
How many runs did he score? 8. _____
9. List the players in order, from fewest runs to most runs.

Colorful Fraction Circles

Color 3 parts red. Color 4 parts blue. Color 1 part green.

What fraction of the circle is red? _____

What fraction of the circle is blue? _____

What fraction of the circle is green? _____

Color 1 part red. Color 2 parts yellow. Color the rest of the circle green.

What fraction of the circle is red? _____

What fraction of the circle is yellow? _____

What fraction of the circle is green? _____

Color half of the circle orange. Color 1 part purple. Color 1 part brown.

What fraction of the circle is orange? _____

What fraction of the circle is purple? _____

What fraction of the circle is brown? _____

Color 3 parts blue. Color 5 parts green.

What fraction of the circle is blue? _____

What fraction of the circle is green? _____

What fraction of the circle is not colored? _____
