4	I feel this year that we haven't received as much communication via email. I think flyers have been given to teachers and those haven't made their way into our home. I would prefer email communication going forward (school spirit days, signing up for school clubs etc). This is our 9th year at IB and this is the only thing I've noticed this year. Overall it has been a wonderful experience. Our daughter is in the Spanish immersion program and although we had some bumps in her 1st grade with one of her teachers being let go and in 2nd grade with one of her teachers being injured and out of school the entire year, the school did an excellent job of filling the gaps.	4/5/2023 8:59 AM
