

Perkins Rubrics for Gifted/Accelerated Placement, 2023-2024

In accordance with Ohio Administrative Code 330-51-15, D(7) (July, 2018), the Perkins Local School District has developed equitable, objective placement criteria for evaluating students for Gifted classes (instructed by the Gifted Intervention Specialist) and Accelerated courses, as outlined below:

Beginning with the class of 2029 when a student achieves a **Cognitive Identification**, the following rubric will be used to determine class placement for core grade-level math and reading. All criteria must be met to be placed in the gifted core class.

Math:	Quantitative CogAT Score Percentile	Non-Verbal CogAT Score Percentile	Most Recent MAP Score Percentile	Additional ODE-Approved Score Percentile (MAP, IOWA, etc.)	Previous Spring Math State Test Score
Minimum Criteria	75	75	75	75	Accomplished
Met					

Reading:	Verbal CogAT Score Percentile	Most Recent ODE-Approved Score Percentile (MAP, IOWA, etc.)	Additional ODE-Approved Standardized Test Score Percentile	Previous Spring Reading State Test Score
Minimum Criteria	75	75	75	Accomplished
Met				

The following criteria is used for **Reading placement:**

Grade Bands	K-4	5-8	9-12
Placement	Students achieving a minimum score at the 95th percentile on an ODE-approved reading assessment (MAP, IOWA, etc.) will receive services from the General Education Teacher with support from the Gifted Coordinator and/or GIS.	Students achieving a minimum score at the 95th percentile on an ODE-approved reading assessment (MAP, IOWA, PSAT, etc.) will receive services from the GIS who is the teacher of record.	Students achieving a minimum score at the 95th percentile on an ODE-approved reading assessment (MAP, PSAT, etc.) may receive services through Honors level, Advanced Placement (AP), Academy Experience, and College Credit Plus (CCP) courses are provided by content-area instructors who have received ODE-mandated gifted professional development.
Timing for Change of Placement	N/A	With a qualifying score on the Fall or Winter MAP assessments, students will be placed after parent notification and approval.	N/A

The following criteria is used for **Math Placement**:

Math placement for previously subject-accelerated students should reflect their math placement, not grade level. Student placement beyond 5th grade is based upon achievement in addition to gifted identification.

Grade for Math Placement	Class	Placement Criteria	"Jump-In" Criteria	State Test
K-4	General Ed Math Class	Students achieving a minimum score at the 95th percentile on an ODE-approved reading assessment (MAP, IOWA etc.) will receive services from the General Education Teacher with support from the Gifted Coordinator and/or GIS.	N/A	Grade Level Test
5	Gifted 5th grade math	Students achieving a minimum score at the 95th percentile on an ODE-approved math assessment (MAP, PSAT, etc.) will receive services from the GIS who is the teacher of record.	With a qualifying score on the Fall or Winter MAP assessments, students will be placed after parent notification and approval.	5
6	6th Advanced Math	Grade 5 service list is used (all gifted) along with those who score at the 80th percentile or higher on spring grade 5 MAP. AND Must score Accomplished or Advanced on grade 5 State Test	Fall MAP scores at the 80th percentile or higher are moved into Advanced Math 6. No movement after Fall MAP.	6th
6	7th Advanced Math	(No entrance criteria - "jump in" only- see right hand column)	Fall MAP score at the 99th percentile AND Accomplished or Advanced on grade 5 State Test	8th
7	7th Advanced Math	Requirements: 1.Spring grade 6 MAP score at 225 or higher 2.Two of the last three years Accomplished or Advanced on the state tests with the third year at least Proficient on the State Test		8th

Grade for Math Placement	Class	Placement Criteria	"Jump-In" Criteria	State Test
7	Algebra 1	Requirements: 1. Spring grade 6 MAP score at the 90th percentile or higher 2. Accomplished or Advanced on the grade 6 State Test	N/A	Algebra 1
8	Algebra 1	Requirements: 1 Spring 7 MAP score at 230+ 2. Two of the last three years being Accomplished or Advanced on the State Test with the third year at least Proficient on the State Test		Algebra 1
8	Hon Geometry	Completed Algebra 1		Geometry
9-12		Students achieving a minimum score at the 95th percentile on an ODE-approved math assessment (MAP, PSAT, etc.) may receive services through Honors level, Advanced Placement (AP), Academy Experience, and College Credit Plus (CCP). Courses are provided by content-area instructors who have received ODE-mandated gifted professional development.		

Outside Testing/Transfer Students: The district Gifted Supervisor will review transfer students' records, and will accept outside testing results for gifted services, if the assessment has been administered within the last 24 months and is on the ODE-approved list. Additional assessments will be administered, based upon previous records. Placement will be determined based upon the records review, in conjunction with further assessments.
