Immunization Requirements for the Rising 12th Graders

According to the Virginia Department of Health, all rising 12th graders must receive the Meningococcal Conjugate Vaccine. The first dose shall be administered prior to entry to 7th grade for all incoming 9th graders. The second dose shall be administered prior to the entry of 12th grade. Rising 10th and 11th graders will be grandfathered and will pick up with the 12th-grade dose. This change was made to better align with the current recommendations from the Center for Disease Control. When completed, please turn in a paper copy to the front office. This immunization is **MANDATORY** for entering 12th grade.

Proof of immunization must be provided by **the first day of school.**

As always, thank you for your continued support and timely cooperation.
