

# ***SUPERINTENDENT*** **NEWSLETTER**

**June 2, 2023**

June 2, 2023

Dear Gull Lake Families and Staff,

As I write this message, I am inspired. These past few weeks I have seen our students and staff doing year end activities and all the happy smiles and interactions shared between the members of our school family. It is one of the authentic measures of a positive school culture. Whether it is a Moms 'n Muffins event, or the Senior Strut through lower grade levels in caps and gowns, the focus is on strong healthy relationships that support developmental growth and an environment that encourages real learning.

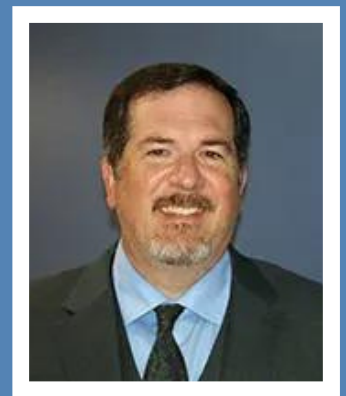

Our commencement ceremonies for seniors from each of our District programs reflected the same positive affect and emotions that bond us with one another. These ceremonies represent true life milestones and meaningful achievements. It is a privilege to partner talented and caring staff with strong and supportive families to meet the needs of our kids. These year end celebrations and activities are a wonderful reminder of what we have.

Together, we educate every child to achieve their full potential.

**GO GULL LAKE!**

Raphael Rittenhouse/Superintendent  
Gull Lake Community Schools

## **Updates:**

**Last day of school is  
Thursday, June 8th.**
