Favorite Part

My favorite

part was when

Andrew drank

the secret

recipe and

got all sick

for nothing!

A New Ending

If I could make a  
new ending for this  
book,

it would be

that Sharon

gets tricked

the same way

she tried to

trick Andrew

and he'd get

his money back.

## Reflection

### Making Connections

This book reminds me of

When I was in second grade and I really wanted blue eyes. I would've done ANYTHING to get them.

### Lessons Learned

I learned that it is important to be happy with who I am. I don't need to look like anyone but myself!
