

Frequently Asked Questions

Question: Transportation - how will I know about this?

Answer - we will be sending out an email Thursday or Friday of this week with all this information.

Question: What classes does my student need?

Answer - If it has been identified on the sheet, relay this information to the parent. If not, counselor will relay information Monday, June 5.

Question: What are the benefits of my student attending summer school?

Answer - helps them stay on track to graduate in four years.

Question: We are out of town for some of the time, can my student still attend?

Answer - yes, your student can still attend on the days they are in town.

Question: How does credit recovery work? Is it teacher-led?

Answer - Edgenuity is a program students work through independently. The student takes a prescriptive test. If they pass this test, the student earns credit for the class. If the student fails the prescriptive test, Edgenuity will provide a self-paced course for students to work through before taking the final exam.

Question: Can my student work on this Edgenuity from home?

Answer - yes, they can work through the modules for their courses at home at any time. However, they must be on campus to take the prescriptive exam or the final exam.

Question: Why does my child need to attend summer school?

Answer - failed a class or an End of Course test.

Question: My child can't stay the whole day. What does this mean?

Answer - A student does not have to stay for the entire day. However, if your child needs transportation, it will only run before and after school. There is no mid-day shuttle.
