

WESTERVILLE CITY SCHOOLS

Eligibility Verification for Home Education Students

High School

According to Ohio High School Athletic Association (OHSAA) guidelines, students must be currently enrolled and must have been enrolled in school the immediately preceding grading period to participate in high school athletics. During the preceding grading period, the student must have received passing grades in a minimum of five (5) one-credit courses or the equivalent with a minimum 1.75 Grade Point Average (GPA).

I hereby assure my son/daughter _____ has passed the equivalent of _____ credits during the previous grading period through home education. The subjects and grades were as follows:

Subject	Grade	Beginning Date	Ending Date

Grading Period _____

GPA _____

Parent/Guardian Signature

Date

Athletic Director Signature

Date

Note: This form must be completed and received by the Athletic Director within one week of the end of each Westerville City Schools grading period that precedes participation. Course work listed for eligibility must align with the curriculum verified in the current Home Education Packet.
