MARK TWAIN ATTENDANCE

WELCOME BACK!

The 2018-19 school year has begun and the Westerville School District staff has exciting learning opportunities planned and high academic expectations for all students. Westerville School District staff will support all students to achieve their hopes and dreams to experience an excellent 2018-19 school year.

I am seeking your commitment to making sure child attends school every day possible this year.

The evidence is clear: **children with good attendance are more likely to be successful in school.** High attendance rates correlate to high student achievement. This is true for every grade. Regular school attendance is essential to successful learning:

Every day counts. Missing school even 10% of the time has a significant negative impact on academic achievement as children progress through school. Students with good attendance perform better academically. Good attendance starts early. Research has shown that the attendance habits established early have lasting effects on students throughout their education. Your child needs to be in school and engaged in learning to reach his or her full potential.

We realize that every family faces challenges. **Please let your child's principal know if you are dealing with a challenge affecting your child's good school attendance.** Your school family will help you ensure that your child's school attendance stays on track.

Thank you for all you do to support your child's school success and well-being. I look forward to working with you this year and to having your child learn and grow. Best wishes for a safe, respectful, responsible and successful school year.

Mark Twain Attendance....797-7213

If your child is going to be absent, please call the Attendance Line first thing in the morning. When reporting an absence, we need the following information: Caller's name and relationship, student's name, teacher, and the specific reason for the absence (including any type of rash, fever, cough, or stomach issues.) Please remember that student absences need to be called in daily. If your child has had a fever, s/he must be fever free (without meds) for 24 hours before returning to school. If you have any questions about your child's return to school after being ill, please call the Mark Twain Clinic directly at 797-7204.

If you need to pick up your student from school early for an appointment, please send a note in stating the reason for early departure and the time you will be picking him/her up. The parent or guardian will need to sign the student out in the school office prior to leaving the building. **Please bring the doctor/dentist's office excuse in upon return.**

ATTENDANCE—HOUSE BILL 410

Encouraging regular school attendance is one of the most powerful ways schools and families can work together to prepare your child for success—both in school and in life. When we make school attendance a priority, we help your child get better grades, develop healthy life habits, avoid dangerous behavior and have a better chance of graduating from high school. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future.

The State of Ohio, specifically House Bill 410, also recognizes the importance of student attendance. House Bill 410 requires schools and families to work collaboratively to improve school attendance.

As the primary caregiver to your child, you need to be aware of the new terminology regarding school attendance and House Bill 410. **Excessively absent** is defined as a student missing 38 plus hours (excused or unexcused) of school in one month OR 65 plus hours (excused or unexcused) of school in one school year

Habitual truancy is defined as a student missing 30 consecutive hours (unexcused) of school; OR 42 hours (unexcused) in one month; OR 65 hours (unexcused) in one school year

Attendance intervention team is a group of individuals who gather with the primary purpose of developing a plan to improve a student's school attendance

Please know that if a student accrues any additional hours of unexcused absences, they could become "habitually truant". Once a student is identified as being habitually truant, a plan must be developed and implemented by the school and family of the child; with the purpose of improving student attendance.

If you have any questions, please feel free to contact the attendance office.

MARK TWAIN REMINDERS AND REALLY USEFUL INFORMATION!

PLEASE DO A DAILY BACKPACK CHECK.

Most school information will come home on Friday in Friday Folders. When young children come home, look through their backpacks with them. What assignments do they have? Are there papers for you to sign? Older children should have a special spot, such as a basket, kitchen table, or file, in which to put information for parents.

PLEASE.....remember to label all of your student's supplies and personal items with their name. It is easier to return a coat if we can identify the owner!

Please accept this as a gentle reminder that if something is going on with your child that makes you question their education (in any way) please start by communication with your child's teacher. The teacher is the one that spends the most time with your child and can offer more insight. If more intervention is needed then the situation will be further addressed and re-directed as needed. We are a "team" staff here and encourage open communication between parents and members of the teaching staff.

River Pilot Pledge

I will be the best that I can be by:

Respecting myself and others,
listening and following directions,
keeping hands, feet, and objects
to myself, using positive words
and actions, and being prepared
to learn. I choose to be a leader
at all times.

ATTENTION MARK TWAIN VOLUNTEERS

Westerville Board of Education policy has made it mandatory that we have on file a Volunteer Statement for every person working as a volunteer in our building or chaperoning on a class field trip. If you are planning to serve as a volunteer in our building or as a chaperone and you have not already completed a form for this school year, please obtain the necessary form from the school office. **It is required that each volunteer/chaperone complete a form for each new school year.**

Please contact our school office at 797-7200 if you have any questions.

JUST A REMINDER... Due to the number of students involved in selling items for extra curricular activities..... it has become very difficult to purchase from every student. PLEASE refrain from sending these fundraisers to school!

DISTRICT POLICY REGARDING BIRTHDAY TREATS

As we start the 2018-2019 school year, Mark Twain Elementary School is taking an active role in promoting, supporting, and modeling healthy eating habits for our students. While we recognize that our children love to celebrate special events such as birthdays with their peers and teachers, we also recognize that we have a tremendous opportunity to promote healthy behaviors and to show students how to enjoy special moments such as birthdays without making food the focus of our celebrations. In an effort to nurture healthy choices and to strengthen our school-wide commitment to wellness, we will be implementing new practices for individual student celebrations (birthdays, moving to a new school, etc.) and we will no longer allow students to distribute edible treats for these events. Instead, we have identified other celebration options. Below are our school's approved choices for alternatives to food treats:

- Donate a book to your child's classroom or to our school library's Birthday Book - Club. You may want to contact your child's teacher for book suggestions.
- Donate an indoor recess game to your child's classroom.
- Distributed small tokens such as stickers, birthday pencils, or pencil toppers to the class.
- Provide an autograph book or tee shirt for your child that classmates can sign.

We appreciate your partnership as we implement our new school practices. Please note that any food-item sent to school will NOT be opened or distributed and will be returned home with the child. We will continue to have schoolwide celebrations such as the Fall Party, Winter Party and Valentine Party, at which we will continue to share nutritious snacks and will allow classrooms to share some treats. Children embrace being recognized by their peers and teachers for special occasions and our new practices will ensure the focus of our celebrations are on the student and not the edible treat. We invite our Mark Twain school community to join us in our efforts to promote lifelong, healthy, and nutritional habits in our students. We will continue our class parties with food but will have limitations for all students to enjoy.

Attention!

Traffic Pattern Reminder

Please use the map on the reverse side and the following directions for the traffic pattern for cars entering/exiting Mark Twain.

- **No car traffic will be permitted to enter the bus lane turnabout.**

- Traveling eastbound/westbound on Walnut St. turn right/left onto Chelsea Ln. Turn right into the parking lot via the right side entrance.

- Continue to the right and around the entire parking lot in a SINGLE LANE. Double lane traffic is not permitted at any point. Students may exit at the SIDEWALK DROP OFF area only. **Your student will enter the building at the front entry doors. Please be advised; these doors will not be opened to students until 8:50 a.m.**

- Once your student has safely exited at the sidewalk only, proceed out of the parking lot, and left onto Chelsea Ln. and out onto Walnut St.

- **Absolutely no stopping/parking/pick up/drop off on Chelsea Ln.**

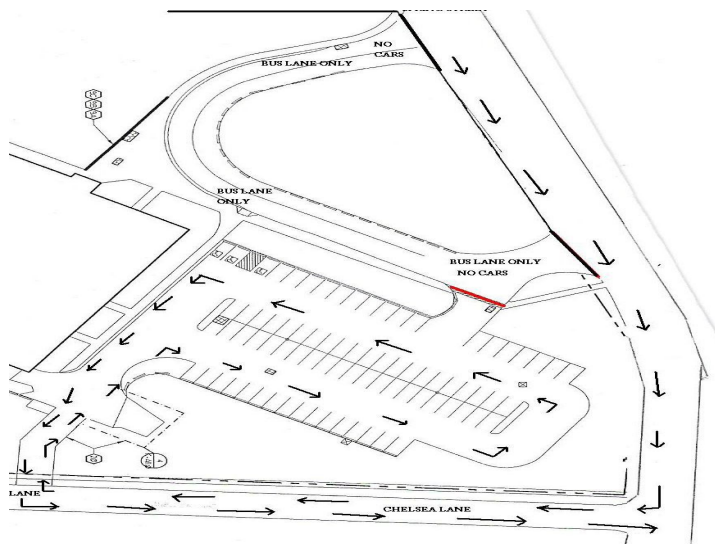

- No students will be permitted to walk through the parking lot.

- Parking Alternatives:

- The church on Spring Rd., North of Mark Twain

- Highlands Pool Auxiliary Parking Lot

- The Spring Rd. curb lane heading North, South of Walnut St.

TRANSPORTATION

As the 2018-19 school year gets underway, I would ask our families to become familiar with traffic and parking signage on school grounds, as well as in our surrounding neighborhoods. During school events, or when student drop off and pickup occurs, the increase in vehicle traffic can sometimes create traffic issues for local residents. We want to be good neighbors and your support in following posted traffic and parking signage goes a long way toward allowing this to happen.
