1. Literacy Night – February 7th

2. Spring fundraiser

Discussed selling World's Finest Chocolate. Marissa got sales info from WFC. Adrienne sent a request to administration seeking approval to move forward. Profit on each box sold is \$30. All students can participate with parental permission.

3. Treasurer's report

Marissa reported a current balance \$61.50.

Discussed a proposed budget as follows:

Field trips:	\$1,000 (for bus expenses)
After school activities:	\$ 600 (academic clubs, athletic teams, music/band)
Classroom supplies:	\$4,000 (estimate \$100/teacher assuming approx. 40 teachers)

This proposed budget needs to be approved by the members. Adrienne will send an email to the members to vote on. The proposed fundraiser would fund the proposed budget.

4. Membership report

Adrienne reported membership is at 14.

5. Other business

Briefly discussed need to recruit PTA members for next school year as some board members have 8th graders.
