

Bowling Green City Schools Pay-to-Participate Policy

The Board of Education has established criteria for co-curricular and extra-curricular activities consistent with the educational goals of the district. These criteria include a participation fee schedule for extra-curricular and selected co-curricular activities that involve regular use of district transportation and/or a district paid coach/adviser/director. Students wishing to participate in these kinds of activities will be charged the appropriate fee. Special consideration may be given in cases in which the participation fee would result in exclusion.

Participation Fee Schedule

1. High School students will pay \$75.00 per sport. Cheerleaders will pay \$50.00 per season.
2. Middle School students will pay \$50.00 per sport.
3. High School/Middle School students participating in co-curricular activities, including but not limited to, quiz bowl, student activities board, drama, etc., in which a paid adviser exists, will pay \$25.00 per season, year, or play/performance respectively.
