

E books are available for reading online or for check out.

You will be prompted to enter the name of our school (be sure to click on McKinley Middle School/Albuquerque) and to enter your school ID number and password.

Destiny Discover accesses our entire school catalog but the ebooks have been relocated to the top of the list. Make sure to look for the blue or green “e” icon. (The red book icon is for books located at school)

For easier browsing in Destiny:

After you log in, select “search options”

Enter “ebooks” in format then “search”

Then in the box on the left you can filter for subject, author, genre, etc.

Once you find a book and check it out- it will show up in the Destiny Read App- so you can read it on your phone.

Ebooks in Destiny Discover and Mackin Via both have a read aloud feature. Look for the play button.

Destiny Discover has an additional option (click sound icon) to control read aloud speed and highlighting function.

In Mackin Via browsing is easier if you click on “Categories”.
