TO: The Citizens of the Fort Wayne Community Schools

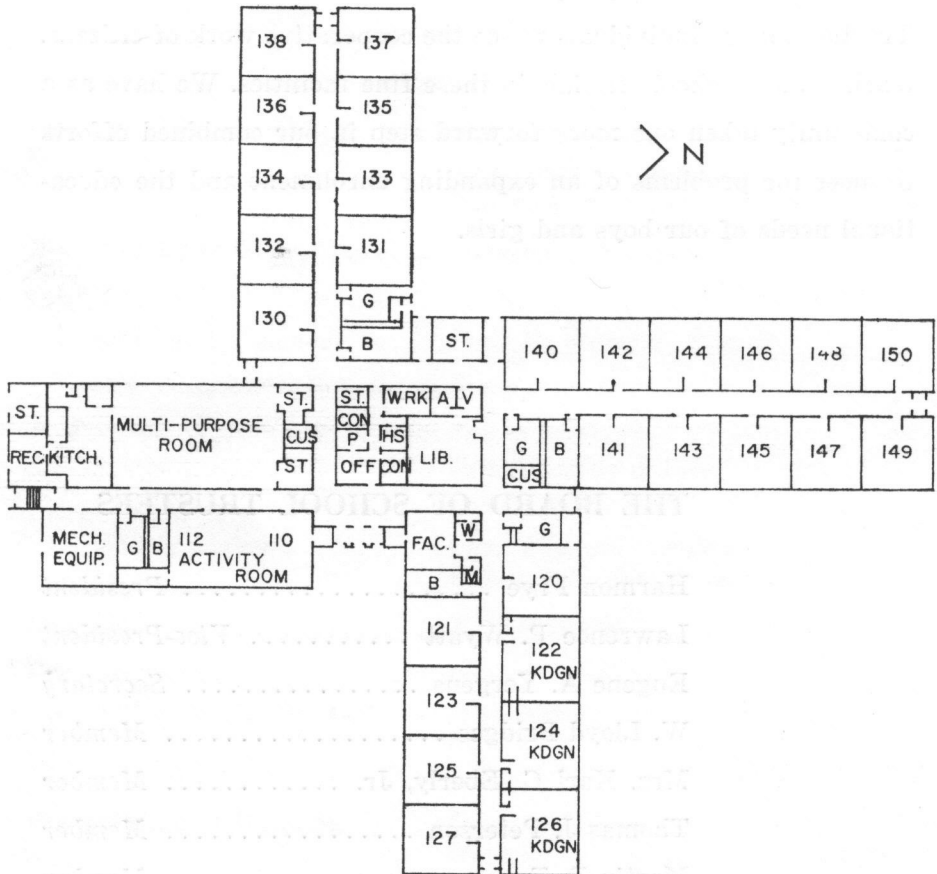

Your Board of School Trustees is proud to present to the community the J. Wilbur Haley Elementary School.

It is a rewarding experience for us as the Board of School Trustees and as individuals to see the cooperative work of citizens, teachers, and school officials in these fine facilities. We have as a community taken one more forward step in our combined efforts to meet the problems of an expanding enrollment and the educational needs of our boys and girls.

THE BOARD OF SCHOOL TRUSTEES
