LINCOLN ELEMENTARY SCHOOL

1001 EAST COOK ROAD • FORT WAYNE, INDIANA

SUNDAY, NOVEMBER 9, 1975 • 2:00 P.M.

To: The Citizens and Patrons of Fort Wayne Community Schools

Your Board of School Trustees is proud to present to the community the new Lincoln Elementary School which has been named in honor of Abraham Lincoln, the sixteenth President of the United States. This new facility is the second in the history of Fort Wayne Community Schools to bear the name of this great and revered leader in the struggle for human rights.

The system's first Lincoln School, which was built in 1915, also was located in Washington Township at the intersection of U.S. 30 and 33. It was closed at the end of the 1964-65 school year and was demolished a few months later.

It is a rewarding experience for us as the Board of School Trustees and as individuals to see the cooperative efforts of citizens, teachers and school officials culminate in this outstanding facility. We have as a community taken another step forward toward our goal of meeting the individual needs and providing educational opportunities for the boys and girls of the city of Fort Wayne and Washington Township.
