TO: The Citizens of the Fort Wayne Community Schools

Your Board of Education is proud to present to the Community the new Willard Shambaugh School.

It is a rewarding experience for us as the Board of Education and as individuals to see the cooperative work of citizens, teachers, and school officials culminate in these fine facilities. We have as a community taken one more forward step in our combined efforts to meet the problems of an expanding enrollment and the educational needs of our boys and girls.
