<u>Business</u>		
Digital Citizenship 7/8 BEM7800301	The semester-long class is designed to teach proper technique and increase student efficiency when typing on the computer. The students will build their skills from home row, use correct finger strikes, maintain proper positioning, and increase accuracy and speed. There will be several guided and independent activities embedded throughout the semester formatting and utilizing Word documents and PowerPoint presentations.	<u>A</u>
<u>Computer Science</u>		
Computer Science 7&8 BEM7800001	This year-long course is designed as an introductory computer science class. The standards focus on Indiana's Five Core Computer Science Concepts: Data and Information, Computing Devices and Systems, Programs and Algorithms, Networking and Communication, and Impact and Culture, which provides students with the opportunity to experience and apply a variety of computer science concepts in order to build a solid foundation for more advanced and specialized studies.	<u>B</u>
<u>Foreign Language (Spanish)</u>		
Exploring WL: 7 Spanish WLM0700300	This semester-long class for 7th and 8th students that meets every day. This class introduces students to reading, writing, speaking and understanding introductory Spanish.	<u>A</u>
<u>Mass Media</u>		
Middle School Digital Media 7/8 Sem LAM7800311	This is a semester-long class for 7th and 8th grade students that meets every day. This class introduces students to the technical and creative aspects of storytelling, broadcasting and audio/visual production.	<u>A</u>

22-23 Northwood Course Descriptions

Incoming 7th Graders

<u>Music</u>		
<p>Exploring Music: 6-8 Sem Only MUM6800300</p>	<p>This is a semester-long class that meets every day. The class will have students get involved in music. It will also allow students to learn different genres of music.</p>	<u>A</u>
<p>Instr Music: Advanced Band MUM6800007</p>	<p>This class is a year long class for students that have been performing music on band instruments for at least one year. These instruments include Percussion, Flute, Clarinet, Oboe, French Horn, Saxophone, Trumpet, Trombone, Baritone, and Tuba. The class performs music for Veterans' Day assemblies, the Winter and Spring concerts, and will compete in the ISSMA Organizational Contest in March. In this class students will learn proper tone production, ensemble balance, producing proper notes and rhythms, musical forms and structures, warm up repertoire, and play a wide variety of challenging music.</p>	<u>B</u>
<p>Instrumental Music MUM6800003 (Percussion Ensemble)</p>	<p>This is a year long class for 7th and 8th grade students that have performed on percussion instruments for at least one year. Students in this class will continue to advance their Note and Rhythm reading skills and will play a wide variety of challenging music. The Percussion class assists the Advanced Band at the Veterans' Day assemblies, Winter and Spring Concerts and ISSMA Organizational Contest, as well as playing Percussion Ensemble pieces at the Winter and Spring concerts.</p>	<u>B</u>
<p>Instrumental Music: Guitar MUM7800301</p>	<p>This semester-long class allows students to learn how to play the guitar, drums, and bass guitar. Although the class is mainly focused on guitar, the exploring of the instruments in a modern band allows the students to create their own bands, which will perform together in front of the class. This class will focus on: learning to play the guitar, drums, bass (reading chord charts, strumming patterns, rhythmic drum patterns, and TAB), and creating music (writing chord progressions, rhythm patterns, and song writing).</p>	<u>A</u>
<p>Instrumental Music: 6-8 Band Yearlong MUM6800004</p>	<p>This is a year long class for 7th and 8th grade students that either did not get the opportunity to try an instrument in 6th grade or would like to learn a second instrument. Instruments included in this class are Flute, Clarinet, Saxophone, Trumpet, Trombone, Baritone, Tuba, and Percussion. In this class, students will continue to expand their Note and Rhythm skills and play challenging music. The students of this class perform at the Winter and Spring concerts.</p>	<u>B</u>
<p>Instrumental Music: Strings MUM6800006</p>	<p>This is a year long class for 7th and 8th grade students that play or want to learn the Violin, Viola, Cello, or Bass stringed instruments. In this class, students will continue to advance their Note and Rhythm skills and play a wide variety of challenging music. The Orchestra will perform at the Winter and Spring concerts, as well as the ISSMA Organizational Contest in March.</p>	<u>B</u>

22-23 Northwood Course Descriptions Incoming 7th Graders

<u>Music</u>		
Vocal Music: 7 MUM0700001	This year-long class allows students to sing with others and perform at the end of each semester in front of friends and family. In this class students will learn about controlling their breath for singing, keeping steady beat and accurate rhythm, good intonation (pitch), and singing within an ensemble. Students may be asked to fundraise for the group in order to purchase new music and supplies (fundraisers will include an incentive program allowing kids to earn prizes).	<u>B</u>
Vocal Music: Show Choir MUM6800000	This year-long class for 7th and 8th graders allows students to perform a themed show with split vocal parts, good intonation, theatrics and choreography. They will participate in performances for their peers and family. Non-competitive show choir classes allow students to express themselves and be a part of an ensemble. Students may be asked to fundraise for the group in order to purchase new music and supplies (fundraisers will include an incentive program allowing kids to earn prizes).	<u>B</u>
<u>Physical Education</u>		
Physical Education: 7 Sem Only PEM0700300	This is a semester-long class for 7th and 8th grade students that meets every day. This class allows students the opportunity to learn a variety of team sports and sports related movements as well as health fitness concepts: daily flexibility, strength, endurance and speed. Emphasis is placed on active participation and positive social interaction during fitness and sports activities.	<u>A</u>
<u>Visual Arts</u>		
Visual Art:7 VAM0700300	This is a semester-long class for 7th and 8th grade students that meets every day. It would be for students looking to experience and challenge their skills and knowledge in the arts. Our goals in this class is to better understand the fundamentals of art, such as the elements and principles, learn skillful techniques in a variety of media, and be introduced to a variety of artists and art styles.	<u>A</u>
