FROM THE PRINCIPALS

Hello Jefferson Families! Students will be participating in a Mission:Graduate poster contest during their advisory classes. If you would like more information on Mission:Graduate, view the attached flyer. Fall Break is on October 10th and 11th. Student Led Conferences will be on October 31st and November 1st. There will be no school for students on these days. We wish you a Happy Fall!

MISSION: GRADUATE

UNITED WAY OF CENTRAL NEW MEXICO

MISSIONGRADUATENM.ORG

#60Kby2020

MISSION: GRADUATE IS...

a growing cross-sector movement engaged in efforts from cradle to career. To date, we are 269 individual partners, representing 100 different organizations, with a shared commitment to an audacious goal:

60,000
new graduates with college degrees
and certificates in central New
Mexico by the year 2020.

We know that...

By 2020, 63 percent of jobs in New Mexico will require some type of college education.

Individuals with a college credential are more economically resilient and better able to survive downturns in the economy.

Adults with an associate degree earn about \$10,000 more a year than those with a high school diploma.

The more education one gets, the more likely he or she is to lead a healthy lifestyle and make healthy choices.

That's why we believe...

Making education the centerpiece of what we value is the best chance we have at creating a better, more prosperous future for all members of our community.

Both children and adults in our community share the ability to learn and grow in all sectors and segments of this community.

When organizations and institutions work together to break down silos we create lasting change.

Our best days as a community are still ahead of us.
