

Parent/Guardian Notification Letter
Positive Prevention PLUS Passive Consent Form

2018-19 School Year

Dear Parent/Guardian:

California state law, the California Healthy Youth Act, requires that comprehensive sexual health education and HIV prevention education be provided to students at least once in middle school and once in high school, starting in grade 7.

Instruction must encourage students to communicate with parents, guardians or other trusted adults about human sexuality. Instruction must be medically accurate, age-appropriate and inclusive of all students.

The Mt. Diablo Unified School District will be using the Positive Prevention PLUS materials to meet these Education Code 51933 requirements. All written or audiovisual materials to be used in this instruction will be available for review by parents/guardians. If you have questions, please see the teacher or principal. You may request a copy of the California Healthy Youth Act (California Education Code Sections 51930-51939) by contacting Mt. Diablo Unified School District.

State law allows you to remove your student from this instruction. If you do not want your student to participate in comprehensive sexual health or HIV prevention education, please give a written request to Peter Bodrog and Dylan Bland (Science Department Co-chairs) or Vicki Wilson (Science VP) by 11/30/18.

Sincerely,

Science Department Chair
