

STUDENT DROP OFF REMINDER

Student drop offs are NOT allowed in the Staff Parking Lot in front of the school, nor in the Staff Parking Lot next to the Music Building and bicycle racks, in the morning. All student drop offs should be made in the upper Student Parking Lot. This is to keep the Staff Parking Lots and roadways clear of congestion for Staff, District, and emergency vehicles.

Additionally, parents should NOT stop in the middle of Viking Drive and block traffic to let out students. The sidewalk curbs on Viking Drive are *No Stopping at Any Time* zones and therefore cannot be used for student drop offs.

A sign will be present at both locations each morning stating *No Students Drop Offs*. The drop off restrictions are **STILL IN EFFECT** whether or not the signs are present!

Please help us in trying to minimize congestion in the front of the school each morning by following the drop off rules.

Thank You!
