

Scholarship Search Engines

Here are some search engines that I have found helpful to students. Many of these have the same scholarships in their database- find a site you feel comfortable navigating!

Career One Stop (U.S. Dept of Labor)

Good tools to filter search; the site also has great career tools.

College Board

Find scholarships, other financial aid and internships from more than 2,200 programs

Fastweb

More than 1.5 million scholarships.

Get Schooled!

Get Schooled was founded in 2010 through a partnership with Viacom and the Bill & Melinda Gates Foundation. This scholarship search engine is easy to use and the site itself has great snippets of information to help you navigate High School, College Admissions, Financial Aid, College itself and career! (Plus, for each article read/activity done, you can earn points and get prizes!)

NICHE

Search lists of scholarships by choosing a category or get matched to college scholarships you are eligible for.

Peterson's

One-stop scholarship resource with a number of great (and free!) resources. It has the tools and tips you need to start your search.

Scholarships.com

One of the largest databases and is updated daily.

Scholarship Monkey

Offers 3 search options: personalized search, search by keyword and lists of scholarships.
