Piano Class Requests Keyboard Donations

College Park is lucky to have a piano lab with high quality keyboards for students to use while in class. However many students don't own their own instruments. The CPHS Music Department is requesting donations of digital keyboards to lend out, so that students can practice at home. Keyboards need to be in good working order, have at least 61 keys, and ideally include a sustain pedal. If you have a good quality keyboard that is no longer in use, or would like to make a donation of a new instrument for our students to use (in the Compact Digital Piano or Portable Keyboard instrument categories), please contact either [Bruce Rockwell](#) or [Jorge Jimenez](#) to arrange a drop-off. Thank you!
