iHealth At-Home COVID Kits for CPHS Students

College Park Students and Families,
The California Department of Education secured millions of at-home, rapid response COVID test kits, and MDUSD has received 22,000 kits for staff and MDUSD students. Each school has been sent kits to be distributed on a first-come, first served basis. College Park has over 1100 kits to distribute to students.

Kits contain two tests and are to be used at home prior to returning from Winter vacation to provide parents, staff and students with the peace of mind to know they have not tested positive for COVID. They are intended to be used one and three days before school resumes:

Sunday, January 2, 2022 - Test #1

Tuesday, January 4, 2022 - Test #2

Wednesday, January 5, 2022 - School Resumes

These iHealth tests include instructions and QR codes, as well as reporting information. Please note:

These one-time, at-home tests do not excuse any symptoms students may have.

Tests cannot be used to shorten any quarantine or other timelines that are part of the MDUSD COVID protocol.

Any positive test results must be reported to the school office as soon as possible.

If students test negative, but are showing COVID symptoms, please have them stay home.

[Request a home COVID kit.](#)

Thanks,

[Mr. Honey](#)
