Volunteers Needed for Math Field Day

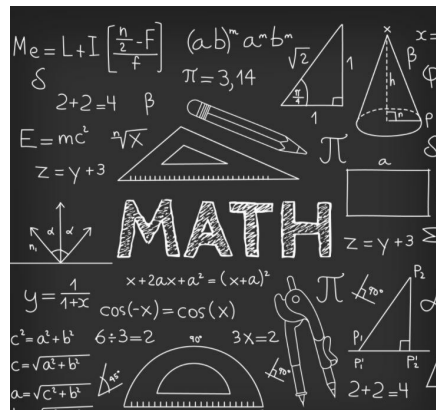

Date: Friday, March 25

Time: 8:30 AM-3:15 PM

The Math Department needs volunteers for our annual Math Field Day.

The math teachers have developed stations at which students will calculate area, circumference, slope, estimate volume and calculate geometric probability. We have new stations this year along with some old favorites. AP Calculus and AP Statistics students will be on hand to assist with the math. Students will be attending only during their math classes as directed by their own math teachers.

We need parent volunteers to help with the stations, coordinate the desserts (students must find volume before consuming) and more. (Math/science background is not required for volunteers.)
