parents, community members and students to ensure the needs of students are being met. We are proud to offer scholarships to deserving, graduating seniors who demonstrate both personal success and the ability and desire to share their talents with others to make a difference in their community.

Scholarships are awarded to students who embody these ideals by working within

College Park High School

**PTSA**

their own groups of family, friends and community to make a difference to others. Students might achieve this by being role models to others by gaining and holding employment, by becoming involved in school activities, or by joining outside organizations whose mission is to benefit our community or society as a whole.
