College Park Sports and Conditioning Camps
REGISTRATION IS NOW OPEN

[College Park Sports and Conditioning Camps](#)

Our summer camps are a great way for our incoming 9th graders to get a kick start on their high school experience. Train with our College Park coaches and make connections with other future and current Falcon student-athletes!

College Park is pleased to be able to provide our Sports and Conditioning Camps again this summer. Now in our 11th year of camp we strive to offer quality instruction in a variety of sports and activities. Our camps are led by our very own College Park coaches.

It is an honor working with the College Park community and we hope you will choose our camps for your children. For several of our sports camps we are still working on timing and facilities. If you do not see your desired sports camp open at this time, please continue to check the website for updates. All campers must register for camp using our online registration.

Visit the [Athletics website](#) for additional information. Please contact [Jim Keck](#) with any questions.

Student Cafeteria Workers Needed for 2022-23 School Year

The cafeteria is in need of student cafeteria workers during brunch and lunch for the 2022-23 school year. This is a paid position, and the student will need to fill out an application. Good attendance is essential for the position.

Please contact the [Cafeteria Manager](#) via email or in person with any questions.

Spring Musical - *Lucky Stiff*

Dates: May 5-7 & May 12-13

Time: 7:00 PM

Place: MU

Cost - Tickets Sold at the Door:

General Admission: \$20

Students, Seniors & Staff: \$10

Come and be entertained by this year's spring musical *Lucky Stiff* presented by our Falcon Theatre. This murder mystery farce of mistaken identities, millions in diamonds and a wheelchair-bound corpse will leave you dying of laughter. Tony Award-winning writing team, Lynn Ahrens and Stephen Flaherty's first produced show, *Lucky Stiff*, premiered Off-Broadway and is a winner of the Richard Rodgers Award and Washington's Helen Hayes Award for Best Musical. *Lucky Stiff* is now performed frequently across the country. They went on to write such Broadway hits such as *Ragtime*, *Seussical*, *Once on this Island*, *Memphis*, and many more!

Based on the novel, *The Man Who Broke the Bank at Monte Carlo*, by Michael Butterworth, *Lucky Stiff* is an offbeat, hilarious murder mystery farce, complete with mistaken identities, six million bucks in diamonds and a corpse in a wheelchair. The story revolves around Harriet Witherspoon, an unassuming English shoe saleswoman who is forced to take the embalmed body of her recently murdered uncle on a vacation to Monte Carlo. Should she succeed in passing her uncle off as alive, she stands to inherit \$6,000,000. If not, the money goes to the Universal Dog Home of Brooklyn...or else her uncle's gun-toting ex, Rita La Porta! Featuring a tuneful Flaherty and Ahrens score, an ensemble cast of zany characters and small rock combo orchestra, *Lucky Stiff* is an audience charmer. You won't want to miss it!

Webinar: Youth & Adult Partnerships in Action

Date: Thursday, May 12

Time: 5:30-7:00 PM

Place: Online

Presentation Description:

This webinar will be facilitated by CourAGE Youth Health Coalition members and will feature youth and adult speakers who will share how they have partnered to create positive change in their schools and communities.

Video Series: What Adults Need to Know About Vaping & Teens

Video Series: What Adults Need to Know About Vaping & Teens

As you know, vape pens have completely shifted the landscape of tobacco prevention both locally and globally. While the dangers of commercial, combustible tobacco products, such as cigarettes and little cigars, is widely known among both adults and young people, less is known about the effects of vape pens. Check out the six-part video series to learn more from adult and youth experts about these products, the impact these products are having on young people, the intersections between tobacco and cannabis/marijuana use, available resources, and tips for parents and educators.

Videos en Series: Lo que los adultos deben saber sobre el vapeo y los adolescentes

Como saben, los vaporizadores han cambiado por completo el panorama de la prevención del tabaquismo tanto a nivel local como global. Mientras los peligros de los productos de tabaco comerciales y combustibles, como los cigarrillos y los cigarros pequeños, son ampliamente conocidos tanto entre los adultos como entre los jóvenes, se sabe menos sobre los efectos de los vaporizadores. Consulte la serie de videos de seis partes para obtener más información de los expertos adultos y jóvenes sobre estos productos, el impacto que estos productos tienen en los jóvenes, las intersecciones entre el tabaco y el consumo de cannabis / marihuana, los recursos disponibles y consejos para padres y educadores.
