College Park Sports and Conditioning Camps REGISTRATION IS OPEN

College Park Sports and Conditioning Camps

Our summer camps are a great way for our incoming 9th graders to get a kick start on their high school experience. Train with our College Park coaches and make connections with other future and current Falcon student-athletes!

College Park is pleased to be able to provide our Sports and Conditioning Camps again this summer. Now in our 11th year of camp we strive to offer quality instruction in a variety of sports and activities. Our camps are led by our very own College Park coaches.

It is an honor working with the College Park community and we hope you will choose our camps for your children. For several of our sports camps we are still working on timing and facilities. If you do not see your desired sports camp open at this time, please continue to check the website for updates. All campers must register for camp using our online registration.
