the wonderful art classes we have here at College Park including Fine Art, Photography, Ceramics and Glass. We will be electing a new board for the coming year and planning events to showcase your student's work. We only have one fundraising event each year but that helps provide most of the supplies used in the classrooms. This year it will be scheduled for the spring semester. For information on how to join our Zoom call, please [email us](#). Please come help us support our students!

opportunities. Mr. J will send out the Zoom link before the meeting, so be sure to check your emails or remind accounts. We have a digital form to collect Parent Contact and Volunteer Information this year. Please [complete the volunteer form](#) so the CPIMB board can contact you for upcoming volunteer opportunities for which you indicated interest.

Support the CP Instrumental Music Program

Creating and running such a robust music program necessitates fundraising throughout the school year because the school site budget simply doesn't cover the costs. There are many ways parents, families and communities can contribute.

Visit the CPIMB site.

Through your generosity and volunteer efforts, we are able to raise enough to cover extra costs. Estimates for funds raised in a typical year are:

- Musicians Showcase in October - \$30,000 - \$38,000
- Membership, Donors Circle and Matching Gifts - \$12,000-\$20,000
- Misc. Fundraisers, Bake Sales, concert donations - \$1,000-\$2,000

Here are some of the ways you can donate directly:

-Make a donation and become a booster/donor circle member

- [CPIMB Square Site](#)
- Check payable to CPIMB
- Via our VENMO account at **CPIMB Music-Boosters**

-Consider United Way or company matching gifts with your workplace using Benevity.

-Sign up for [AmazonSmile](#) and indicate *College Park Instrumental Music Boosters* as the recipient of .5% of eligible purchases.

-Our tax ID is 68-0485116 and is listed as *Falcon Band Boosters of College Park*.

Grad Nite 2021

We have not forgotten about the Senior Class and Grad Nite 2021!

Normally we would have held our first planning committee meeting of the year in August. With the rest of the school year on a distance learning schedule, and the county still being in shelter in

place, we just don't know what the future holds just yet. We are hopeful that we can begin planning committee meetings in January. Hopefully by then we will have a graduation date from MDUSD and have a better idea of what we are allowed to do per the County Health Guidelines.

With that being said, we need a lot of volunteers. Please take a look at the [Grad Nite site](#) to see what Grad Nite is all about and to see where you might be able to lend a hand. Most of our 2020 committee members had volunteered for many years and they also graduated with their Senior this year.

Visit the Grad Nite site.

First and foremost we need a Communications Chair to be able to update the website and graphic designs. Each Volunteer Committee Chair listed has graduated out as of 2020. If anyone is interested and has questions, please email us at the link listed below.

Thank You for your patience during this trying time!

Questions? [Email us](#). Visit the [Grad Nite Committees & Chairs page](#) for volunteer committee positions.
