Student HomeLink Accounts

We have just completed a HomeLink review and have found many of our students do not have a student HomeLink account. We are asking all students who do not have an account to login into HomeLink and create a student account. To create a student account, each student needs three pieces of data:

- Primary Phone (Usually a parent number),
- Student ID
- Verification passcode (Please call the school: 925-682-7670 to obtain a passcode)

Thank you,

Grad Nite 2021

We have not forgotten about the Senior Class and Grad Nite 2021!

Normally we would have held our first planning committee

meeting of the year in August. With the rest of the school year on a distance learning schedule, and the county still being in shelter in place, we just don't know what the future holds just yet. We are hopeful that we can begin planning committee meetings in January. Hopefully by then we will have a graduation date from MDUSD and have a better idea of what we are allowed to do per the County Health Guidelines.

Visit the Grad Nite site.

With that being said, we need a lot of volunteers. Please take a look at the [Grad Nite site](#) to see what Grad Nite is all about and to see where you might be able to lend a hand. Most of our 2020 committee members had volunteered for many years and they also graduated with their Senior this year. First and foremost we need a Communications Chair to be able to update the website and graphic designs. Each Volunteer Committee Chair listed has graduated out as of 2020. If anyone is interested and has questions, please email us at the link listed below.

Thank You for your patience during this trying time!
Questions? [Email us](#). Visit the [Grad Nite Committees & Chairs page](#) for volunteer committee positions.
