AP Registration Process

Two-Part Registration Process-
Register/pay on Total
Registration & Join Exams on
MyAp College Board:

To complete the registration process, all students must complete these steps to ensure that College Board processes your exam order.

1) Register for [AP Exams on Total Registration\(TR\)](#).

- Pay at the time of registration.
- Obtain Exam Join Code(s) to join on MyAP (Found in TR's Confirmation PDF or under "Account History").

If you took AP tests last year, use your same email log-in and password.

TR will collect your test fees, payable with a credit or debit card, or by mailing a personal or cashier's check, or money order to TR along with a copy of your test Confirmation Page.

2) Log in to [MyAP](#).

- Join exams with the exam join codes from Total Registration

NOTE: The exam join code is **different** from the join code given to you by your instructor.

SSD: All accommodation requests and documentation must be submitted to College Board no later than **January 15, 2021**. Make sure that accommodations are up to date if you have been previously approved. It is recommended that you start this process as soon as possible.

More than One Exam Window: Due to the possibility of continued social-distancing protocols enforced in May, there may be more than one exam window to be able to accommodate all students. Groups will be determined based on registration date and proctor/room availability. College Board will have more information for us in early 2021.

Email [David Walters](#) with any questions.

Grad Nite 2021

We have not forgotten about the Senior Class and Grad Nite 2021!

Normally we would have held our first planning committee meeting of the year in August. With the rest of the school year on a distance learning schedule, and the county still being in shelter in place, we just don't know what the future holds just yet. We are hopeful that we can begin

planning committee meetings in January. Hopefully by then we will have a graduation date from MDUSD and have a better idea of what we are allowed to do per the County Health Guidelines.

With that being said, we need a lot of volunteers. Please take a look at the [Grad Nite site](#) to see what Grad Nite is all about and to see where you might be able to lend a hand. Most of our 2020 committee members had volunteered for many years and they also graduated with their Senior this year.

First and foremost we need a Communications Chair to be able to update the website and graphic designs. Each Volunteer Committee Chair listed has graduated out as of 2020. If anyone is interested and has questions, please email us at the link listed below.

Thank You for your patience during this trying time!

Questions? [Email us](#). Visit the [Grad Nite Committees & Chairs page](#) for volunteer committee positions.

Recording of Classroom Lessons by Students, Parents or Teachers

There have been many questions regarding recordings of online sessions, so I want to share the guidelines we are following at College Park.

- Video recordings of classroom instruction qualify as "education records" under the Family Educational

Rights Privacy Act, and as such are protected by state and Federal privacy laws. The following rules apply:

- Recordings by teachers of classroom instruction for distribution to students for educational purposes are permitted by FERPA. When used for an educational purpose, recordings of a classroom by a teacher are not considered an "educational record."
- Recordings by students of lessons for educational purposes are permitted but only if expressly authorized by the teacher. Under California Education Code Section 51512 it is illegal for any person - including the student - to record what is happening in the classroom without the consent of the teacher.
- Recordings by parents of lessons for widespread distribution, or for virtually any use, are not permitted by the California Education Code. Again, it is illegal for a parent to record classroom instruction without the expressed and written consent of the teacher, and such recording may not be distributed to third parties (such as in social media) under FERPA. See Ed. Code Section 51512.

Please email [Mr. Honey](#) if you have any questions.
