College Park Juniors:

We have exciting news for you.

The PSAT has been scheduled for Tuesday, January 26, 2021. While we are still working on the logistics of time and location as well as working within county health regulations we are excited to offer this to students. The order for PSAT tests were due

Thursday, December 3, and we are asking for students to sign up for the exam by that date. Payments for the exam (most likely \$25) will be due in January after we have finalized the logistics for proctoring the test.

This test is geared for High School Juniors, as Sophomore have not reached some of the curriculum that is tested.

Upcoming Dates

January 15-18: Payment due

January 26: PSAT on campus (Time, Location TBD)

Grad Nite 2021

We have not forgotten about the Senior Class and Grad Nite 2021!

Normally we would have held our first planning committee meeting of the year in August. With the rest of the school year on a distance learning schedule, and the county still being in shelter in place, we just don't know what the future holds just yet. We are hopeful that we can begin

planning committee meetings in January. Hopefully by then we will have a graduation date from MDUSD and have a better idea of what we are allowed to do per the County Health Guidelines.

With that being said, we need a lot of volunteers. Please take a look at the [Grad Nite site](#) to see what Grad Nite is all about and to see where you might be able to lend a hand. Most of our 2020 committee members had volunteered for many years and they also graduated with their Senior this year.

First and foremost we need a Communications Chair to be able to update the website and graphic designs. Each Volunteer Committee Chair listed has graduated out as of 2020. If anyone is interested and has questions, please email us at the link listed below.

Thank You for your patience during this trying time!

Questions? [Email us](#). Visit the [Grad Nite Committees & Chairs page](#) for volunteer committee positions.

Recording of Classroom Lessons by Students, Parents or Teachers

There have been many questions regarding recordings of online sessions, so I want to share the guidelines we are following at College Park.

- Video recordings of classroom instruction qualify as "education records" under the Family Educational

Rights Privacy Act, and as such are protected by state and Federal privacy laws. The following rules apply:

- Recordings by teachers of classroom instruction for distribution to students for educational purposes are permitted by FERPA. When used for an educational purpose, recordings of a classroom by a teacher are not considered an "educational record."
- Recordings by students of lessons for educational purposes are permitted but only if expressly authorized by the teacher. Under California Education Code Section 51512 it is illegal for any person - including the student - to record what is happening in the classroom without the consent of the teacher.
- Recordings by parents of lessons for widespread distribution, or for virtually any use, are not permitted by the California Education Code. Again, it is illegal for a parent to record classroom instruction without the expressed and written consent of the teacher, and such recording may not be distributed to third parties (such as in social media) under FERPA. See Ed. Code Section 51512.

Please email [Mr. Honey](#) if you have any questions.

Attendance Procedures in Distance Learning

Email attendance clearances, excuses, issues, concerns and updates to the [Attendance Secretary](#).

Teachers are recording each student's attendance through the codes provided by CA State to represent their highest level of participation for that day:

Visit the Attendance page.

- P = Present: Online synchronous instruction, 1:1 office hours
- 4 = Online Activity: Completed a test, turning in assignments, etc.

- 3 = Communication w/ Certificated Staff: 2-way communication with student and/or parent online or by email
- A = Absent (none of the above engagement)

Support Staff Code:

- 6 = Support Service Access: Speech Therapy, OT, PT, Counseling

Distance Learning Student Expectations & Protocols for Online Meetings
