High School Sports Update from James Keck

As many have already realized, that our scheduled December 7 start date for winter sports has been postponed indefinitely due to the rising COVID numbers. At this point the season has not been cancelled. During the NCS management meeting yesterday, it was expressed that we will continue to look at the COVID situation on a daily basis and hope to be able to play a season (whatever length that may be) starting as early as possible in the new year. Please keep checking the [Athletics website](#) for updates.

Visit the Athletics site.

PSAT Update - January 26

We ordered PSAT tests on December 4 for the January 26 test. We are now working on the logistics of proctoring the test. Payment for the exam (most likely \$25) will be due in January after we have finalized the logistics for proctoring the test. [Upcoming Dates](#)

Grad Nite 2021

We have not forgotten about the Senior Class and Grad Nite 2021!

Normally we would have held our first planning committee meeting of the year in August. With the rest of the school year on a distance learning schedule, and the county still being in shelter in

Visit the Grad Nite site.

place, we just don't know what the future holds just yet. We are hopeful that we can begin planning committee meetings in January. Hopefully by then we will have a graduation date from MDUSD and have a better idea of what we are allowed to do per the County Health Guidelines.

With that being said, we need a lot of volunteers. Please take a look at the [Grad Nite site](#) to see what Grad Nite is all about and to see where you might be able to lend a hand. Most of our 2020 committee members had volunteered for many years and they also graduated with their Senior this year.

First and foremost we need a Communications Chair to be able to update the website and graphic designs. Each Volunteer Committee Chair listed has graduated out as of 2020. If anyone is interested and has questions, please email us at the link listed below.

Thank You for your patience during this trying time!

Questions? [Email us](#). Visit the [Grad Nite Committees & Chairs page](#) for volunteer committee positions.

Recording of Classroom Lessons by Students, Parents or Teachers

There have been many questions regarding recordings of online sessions, so I want to share the guidelines we are following at College Park.

- Video recordings of classroom instruction qualify as "education records" under the Family Educational Rights Privacy Act, and as such are protected by state and Federal privacy laws. The following rules apply:
- Recordings by teachers of classroom instruction for distribution to students for educational purposes are permitted by FERPA. When used for an educational purpose, recordings of a classroom by a teacher are not considered an "educational record."
- Recordings by students of lessons for educational purposes are permitted but only if expressly authorized by the teacher. Under California Education Code Section 51512 it is illegal for any person - including the student - to record what is happening in the classroom without the consent of the teacher.
- Recordings by parents of lessons for widespread distribution, or for virtually any use, are not permitted by the California Education Code. Again, it is illegal for a parent to record classroom instruction without the expressed and written consent of the teacher, and such recording may not be distributed to third parties (such as in social media) under FERPA. See Ed. Code Section 51512.

Please email [Mr. Honey](#) if you have any questions.

Attendance Procedures in Distance Learning

Email attendance clearances, excuses, issues, concerns and updates to the [Attendance Secretary](#).
