Holiday Appreciation for Teachers and Staff

Dear CPHS students,

As the 2020 year comes to an end, I want to encourage you to send an email of thanks to some of your teachers. 2020 has been a rough year, and we have all been struggling one way or another.

Whether you want to thank all of your teachers or just one of them is up to you! A paragraph or a sentence is just fine. All I want for you is to consider thanking a teacher.

Thanks,
CPHS Leadership

High School Sports Update from James Keck

As many have already realized, that our scheduled December 7 start date for winter sports has been postponed indefinitely due to the rising COVID numbers. At this point the season has not been cancelled. During the NCS management meeting yesterday, it was expressed that we will continue to look at the COVID situation on a daily basis and hope to be able to play a season (whatever length that may be) starting as early as possible in the new year. Please keep checking the [Athletics website](#) for updates.

Recording of Classroom Lessons by Students, Parents or Teachers

There have been many questions regarding recordings of online sessions, so I want to share the guidelines we are following at College Park.

- Video recordings of classroom instruction qualify as "education records" under the Family Educational Rights Privacy Act, and as such are protected by state and Federal privacy laws. The following rules apply:
- Recordings by teachers of classroom instruction for distribution to students for educational purposes are permitted by FERPA. When used for an educational purpose, recordings of a classroom by a teacher are not considered an "educational record."
- Recordings by students of lessons for educational purposes are permitted but only if expressly authorized by the teacher. Under California Education Code Section 51512 it is illegal for any person - including the student - to record what is happening in the classroom without the consent of the teacher.
- Recordings by parents of lessons for widespread distribution, or for virtually any use, are not permitted by the California Education Code. Again, it is illegal

for a parent to record classroom instruction without the expressed and written consent of the teacher, and such recording may not be distributed to third parties (such as in social media) under FERPA. See Ed. Code Section 51512.

Please email [Mr. Honey](#) if you have any questions.

Attendance Procedures in Distance Learning
