### ParentSquare

As we announced back in December, we are very excited to be adopting ParentSquare as a new form of communication for College Park and in the MDUSD. Parent Square is designed to keep parents informed and facilitate

participation at school. It provides a safe way for the school principal, teachers, staff, and parents to:

- Send and receive school and class information
- Share pictures and files
- See calendar items
- Sign up to volunteer
- and much more . . . all in one centralized place!

View the parent videos.

### **Recording of Classroom Lessons by Students, Parents or Teachers**

There have been many questions regarding recordings of online sessions, so I want to share the guidelines we are following at College Park.

- Video recordings of classroom instruction qualify as "education records" under the Family Educational Rights Privacy Act, and as such are protected by state and Federal privacy laws. The following rules apply:
- Recordings by teachers of classroom instruction for distribution to students for educational purposes are permitted by FERPA. When used for an educational purpose, recordings of a classroom by a teacher are not considered an "educational record."
- Recordings by students of lessons for educational purposes are permitted but only if expressly authorized by the teacher. Under California Education Code Section 51512 it is illegal for any person - including the student - to record what is happening in the classroom without the consent of the teacher.
- Recordings by parents of lessons for widespread distribution, or for virtually any use, are not permitted by the California Education Code. Again, it is illegal for a parent to record classroom instruction without the expressed and written consent of the teacher, and such recording may not be distributed to third parties (such as in social media) under FERPA. See Ed. Code Section 51512.

Please email [Mr. Honey](#) if you have any questions.

### **Attendance Procedures in Distance Learning**

Email attendance clearances, excuses, issues, concerns and updates to the [Attendance Secretary](#).

Teachers are recording each student's attendance through the codes provided by CA State to represent their highest level of participation for that day:

Visit the Attendance page.

- P = Present: Online synchronous instruction, 1:1 office hours
- 4 = Online Activity: Completed a test, turning in assignments, etc.
- 3 = Communication w/ Certificated Staff: 2-way communication with student and/or parent online or by email
- A = Absent (none of the above engagement)

Support Staff Code:

- 6 = Support Service Access: Speech Therapy, OT, PT, Counseling

### **Distance Learning Student Expectations & Protocols for Online Meetings**

- Students must login using their MUDSD.Net email account
- Log-on to Zoom/Google Meet five minutes prior to class starting
- Have First and Last name correctly spelled on your Zoom/Google Meet window
- Keep cameras on (if possible) and Microphones on Mute unless speaking to teacher or as directed by teacher.
- Students should be in appropriate school attire during online meetings
- Use the Chat appropriately (To ask questions, connect to teacher)
