MDUSD Education Foundation Give 10 Campaign

Dear MDUSD families, the MDUSD Education Foundation (MDEDF) is launching our "Give 10" annual giving campaign in February. We will be raising money to fund STEAM programs for our students throughout

February. We are asking families to please donate a minimum of \$10 per student. If you cannot contribute \$10, we hope you will donate 10 minutes of your time to like, share and follow us on social media. Some of the wonderful STEAM programs we have already helped fund to benefit MDUSD high school students include:

Download the flyer.

- Project Lead the Way 3D printer and supplies for science and engineering classes
- Bay Area Urban Debate League (BAUDL)
- Gizmos science
- Remote learning tools

In addition to programs, the foundation funded 100 Chromebooks for virtual instruction. Together, we can do so much more! Please share our messages and follow us on Facebook @MDEDF, Twitter @MtDiabloEF, Instagram @MtDiabloEF, LinkedIn Give 10, STEAM 4 Students [MDUSD Education Foundation](#)

ParentSquare

As we announced back in December, we are very excited to be adopting ParentSquare as a new form of communication for College Park and in the MDUSD. Parent Square is designed to keep parents informed and facilitate participation at school. It provides a safe way for the school principal, teachers, staff, and parents to:

View the parent videos.

- Send and receive school and class information
- Share pictures and files
- See calendar items
- Sign up to volunteer
- and much more . . . all in one centralized place!

Recording of Classroom Lessons by Students, Parents or Teachers

There have been many questions regarding recordings of online sessions, so I want to share the guidelines we are following at College Park.

- Video recordings of classroom instruction qualify as "education records" under the Family Educational Rights Privacy Act, and as such are protected by state and Federal privacy laws. The following rules apply:
- Recordings by teachers of classroom instruction for distribution to students for educational purposes are permitted by FERPA. When used for an educational purpose, recordings of a classroom by a teacher are not considered an "educational record."
- Recordings by students of lessons for educational purposes are permitted but only if expressly authorized by the teacher. Under California Education Code Section 51512 it is illegal for any person - including the student - to record what is happening in the classroom without the consent of the teacher.
- Recordings by parents of lessons for widespread distribution, or for virtually any use, are not permitted by the California Education Code. Again, it is illegal for a parent to record classroom instruction without the expressed and written consent of the teacher, and such recording may not be distributed to third parties (such as in social media) under FERPA. See Ed. Code Section 51512.

Please email [Mr. Honey](#) if you have any questions.

Attendance Procedures in Distance Learning

Email attendance clearances, excuses, issues, concerns and updates to the [Attendance Secretary](#).

Teachers are recording each student's attendance through the codes provided by CA State to represent their highest level of participation for that day:

Visit the Attendance page.

- P = Present: Online synchronous instruction, 1:1 office hours
- 4 = Online Activity: Completed a test, turning in assignments, etc.
- 3 = Communication w/ Certificated Staff: 2-way communication with student and/or parent online or by email
- A = Absent (none of the above engagement)

Support Staff Code:

- 6 = Support Service Access: Speech Therapy, OT, PT, Counseling

Distance Learning Student Expectations
