Gift Baskets for Foster & Homeless Seniors

Dear CPHS parents,

We would like to do something
nice to recognize some of our most
vulnerable seniors, which include
homeless and foster youth. We are
reaching out to ask if you can help
us fill 13 baskets with goodies - for
10 senior boys and 3 senior girls.

Items can be dropped off at College Park in the main office at
Student Services North. Cheri Cheng, Office Manager, can
assist if you need help.

Items that we will need are:

- Gift cards (Target, Kohls, Starbuck's, Peet's, etc.)
- Senior/CPHS swag and items for baskets
- Candies, chocolates, nuts
- Canned/package/boxed items like teas, treats, etc. to
fit into baskets
- Hand written cards, notes of encouragement
- Anything you can think of that will make them feel
appreciated!

Let's include these wonderful students in our senior
celebrations and bring a smile to their faces! Thank you for
your help, and please reach out to the following individuals if
you need to make alternate arrangements:

ParentSquare

As we announced back in December, we are very excited to be adopting ParentSquare as a new form of communication for College Park and in the MDUSD. Parent Square is designed to keep parents informed and facilitate participation at school. It provides a safe way for the school principal, teachers, staff, and parents to:

View the parent videos.

- Send and receive school and class information
- Share pictures and files
- See calendar items
- Sign up to volunteer
- and much more . . . all in one centralized place!

Recording of Classroom Lessons by Students, Parents or Teachers

There have been many questions regarding recordings of online sessions, so I want to share the guidelines we are following at College Park.

- Video recordings of classroom instruction qualify as "education records" under the Family Educational Rights Privacy Act, and as such are protected by state and Federal privacy laws. The following rules apply:
- Recordings by teachers of classroom instruction for distribution to students for educational purposes are permitted by FERPA. When used for an educational purpose, recordings of a classroom by a teacher are not considered an "educational record."
- Recordings by students of lessons for educational purposes are permitted but only if expressly authorized by the teacher. Under California Education Code Section 51512 it is illegal for any person - including the student - to record what is happening in the classroom without the consent of the teacher.
- Recordings by parents of lessons for widespread distribution, or for virtually any use, are not permitted by the California Education Code. Again, it is illegal for a parent to record classroom instruction without the expressed and written consent of the teacher, and such recording may not be distributed to third parties (such as in social media) under FERPA. See Ed. Code Section 51512.

Please email [Mr. Honey](#) if you have any questions.

Attendance Procedures in Distance Learning

Email attendance clearances, excuses, issues, concerns and updates to the [Attendance Secretary](#).

Teachers are recording each student's attendance through the codes provided by CA State to represent their highest level of participation for that day:
