## Go Fund Me Fundraiser for the Class of 2021

The Senior Class of 2021 has made history, but not in the way we expected. They will miss out on many traditions they have been looking forward to since they were freshmen. The loss is real and we want to do something to ensure the kids are celebrated and know they have not been forgotten.

We have put together this [GoFundMe fundraiser](#) as a means to raise money for several ideas and events that we would like to pull together before graduation. Exactly what we do depends on how much we raise and of course, in some cases, will depend on what is allowed based on the tier guidelines.

- Drive Through Graduation Event on March 19th
- Graduation Yard Signs
- Yearbook Signing Gathering ( Ice Cream Social, Picnic etc.)
- Miscellaneous Graduation Event Costs ( not covered by the school)

We are not asking for a set donation and would sincerely appreciate any amount you are able to contribute. Inclusion in these events is in no way tied to donating. All seniors will be celebrated.

Please help us raise these funds to celebrate the amazing Class of 2021!

Contact [Kathleen Nagel](#) with any questions.

## College Park Return to School Preparation

As we prepare College Park for the safe return of students, we have made several modifications around campus. We have made several site changes, designed to improve safety for students and staff. A big thanks to our Campus Supervisors, Ms. Gillette, and our admin team for working so diligently on school safety.

## Senior Portraits & Graduation Packages

If you have not scheduled your Senior Portrait sitting time, please contact **Creative Imaging:** (925) 485-6025.

If you have not ordered your cap/gown, be sure to [email Jostens](#) or call (925) 838-1835 to place your order.

[Download the order form.](#)

## ParentSquare

As we announced back in December, we are very excited to be adopting ParentSquare as a new form of communication for College Park and in the MDUSD. Parent Square is designed to keep parents informed and facilitate participation at school. It provides a safe way for the school principal, teachers, staff, and parents to:

[View the parent videos.](#)

- Send and receive school and class information
- Share pictures and files
- See calendar items
- Sign up to volunteer
- and much more . . . all in one centralized place!

## Recording of Classroom Lessons by Students, Parents or Teachers

There have been many questions regarding recordings of online sessions, so I want to share the guidelines we are following at College Park.

- Video recordings of classroom instruction qualify as "education records" under the Family Educational Rights Privacy Act, and as such are protected by state and Federal privacy laws. The following rules apply:
- Recordings by teachers of classroom instruction for distribution to students for educational purposes are permitted by FERPA. When used for an educational purpose, recordings of a classroom by a teacher are not considered an "educational record."
- Recordings by students of lessons for educational purposes are permitted but only if expressly authorized by the teacher. Under California Education Code Section 51512 it is illegal for any person -

including the student - to record what is happening in the classroom without the consent of the teacher.

- Recordings by parents of lessons for widespread distribution, or for virtually any use, are not permitted by the California Education Code. Again, it is illegal for a parent to record classroom instruction without the expressed and written consent of the teacher, and such recording may not be distributed to third parties (such as in social media) under FERPA. See Ed. Code Section 51512.

Please email [Mr. Honey](#) if you have any questions.

### **Attendance Procedures in Distance Learning**

Email attendance clearances, excuses, issues, concerns and updates to the [Attendance Secretary](#).

Teachers are recording each student's attendance through the codes provided by CA State to represent their highest level of participation for that day:

Visit the Attendance page.

- P = Present: Online synchronous instruction, 1:1 office hours
- 4 = Online Activity: Completed a test, turning in assignments, etc.
- 3 = Communication w/ Certificated Staff: 2-way communication with student and/or parent online or by email
- A = Absent (none of the above engagement)

Support Staff Code:

- 6 = Support Service Access: Speech Therapy, OT, PT, Counseling

### **Distance Learning Student Expectations & Protocols for Online Meetings**

- Students must login using their MUDSD.Net email account
- Log-on to Zoom/Google Meet five minutes prior to class starting
- Have First and Last name correctly spelled on your Zoom/Google Meet window

- Keep cameras on (if possible) and Microphones on Mute unless speaking to teacher or as directed by teacher.
- Students should be in appropriate school attire during online meetings
- Use the Chat appropriately (To ask questions, connect to teacher)
