Individual Health Plans should be in place for students with conditions like Asthma, Diabetes, Seizures and Severe Allergies. Some of these health plans require the signature of a physician. To ensure the safety of your child, please contact your school nurse as soon as possible to complete these plans.

To ensure the care of my child, I read and agree that pertinent health information be provided to appropriate school staff. This will be done only on a 'need to know' basis, in a confidential manner. I agree that the school nurse may consult with my child's family physician(s) about the above medical condition(s). I agree to alert the school nurse and my child's teacher, in writing, of any change in medications and/or health status of the child. I will furnish the school with a current telephone number and address in case of an emergency. The above permission will be valid for one year from the date below unless I revoke the permission in writing. In case of an emergency involving your child, it is the policy of this school cooperation to call a doctor, and only in extreme cases will your child be taken to the hospital or 911 contacted.
