Educational Phases

- PHASE 1- 100% Full Distance Learning Model
- PHASE 2- Hybrid (A/B on campus different days)
- PHASE 3- Back to the NORM

2020-2021 Olympic Full Distance Learning Model (Phase 1)

Online Classes (Less is More)

Olympic High School breaks the school year into 8 terms. Credits are given at each term. Generally students take 5 classes at a time. While in full distance learning phase, students will rotate their 5 classes between terms. For example, students will be expected to take 2 academic classes online first term and 3 academic classes second term (see below)

Whole School Year							
Semester 1				Semester 2			
Quarter 1		Quarter 2		Quarter 3		Quarter 4	
Term 1	Term 2	Term 3	Term 4	Term 5	Term 6	Term 7	Term 8
Per. 1 & 2	Per. 3,4,5	Per. 1 & 2	Per. 3,4,5	Per. 1 & 2	Per. 3,4,5	Per. 1 & 2	Per. 3,4,5

Phase 1- Earning Credits

During Phase 1 students will take less classes but will be able to earn more credits in those classes (think summer school model). Students can generally earn 2.5 credits per class ($2.5 \times 5 \text{ classes} = 12.5$ per term). During distance learning, Olympic students can earn 5 credits per class per term (still a total of 25 credits per quarter). *Break down of credit policy presented later

Credits			
Term 1	Term 2	Term 3	Term 4
10 credits	15 credits	10 credits	15 credits

Additional credits may be available via Fast Track or Extra Credit and must be arranged with teachers during office hours.

REVISED CREDIT POLICY

CREDITS

- Each term students will be able to earn up to 5 credits per class. Classes should be organized by 5 units each (many terms are five weeks so it averages to 1 unit a week for the most part).
- Each unit completed equates to 1 credit
- Students will not be able to earn less than 1 credit during DLP. Students progress can carry over to later terms until they reach at least 60% completion

CREDITS VS. GRADES

- For each term EVERY class will be split into 5 sections (units)
- Each unit will be equivalent to 1 credit
 - 1 unit= 1 credit in ALL classes
- Final grade will be an average of the units with work done earning credit.
- EXAMPLE:
 - Unit 1- 65 %
 - Unit 2- 20 %- this unit not factored into grade!
 - Unit 3- 70 %
 - Unit 4- 88 %
 - Unit 5- 0 %
 - **GRADE: 74% and 3 credits for the term**

ADVISORY / ACADEMIC SUCCESS

- Engagement Period
- Meet with this group every Wednesday to build community, discuss Grad Status, Class Changes, ILCs, connection issues, resources, etc
- Google Sheet created, tab for each teacher to document weekly —contacts for each student
- This will meet the state's "weekly engagement" requirement and IS GOOD FOR KIDS!
