

Jefferson Middle School PTO (JMS-PTO) Facebook Policy

The purpose of the JMS-PTO Facebook page is to provide an online community for parents and families at Jefferson Middle School around school affiliated events.

Our goal is to highlight school events and post updates to the community on events and programs affiliated with the school.

Community rules

- We encourage the community to ask questions, comment or share information about JMS school events. We ask that you keep discussions focused directly concerning our school community events and school sanctioned activities.
- The Jefferson PTO president will be the sole administrator and will be responsible for posting school sanctioned announcements. The president may delegate to a board member to include vice president, secretary or the treasurer to post about school sanctioned activities.
- JMS-PTO members may submit a request for school related events to be posted to be approved by the Jefferson principal and two PTO board members to include acting president, vice president, treasurer or secretary.
- When posting, please use appropriate language.
- If you choose, you can submit photos of your children at school events. Please do not submit photos in which other children are included, unless they also have parental permission to post.
- Do not submit posts about concerns, problems or conflicts with individual teachers, administrators, students or parents. Posts that in any way put down or discriminate against individuals will not be approved. Submissions will also be declined if they include threats, confidential information (including grades), or negative/inflammatory statements.
