

# College Recommendations for Undocumented and DACA Students

## YOU CAN GO TO A 4-YEAR OR A 2-YEAR COLLEGE AS AN UNDOCUMENTED OR DACA STUDENT

### TIPS FOR RESEARCHING COLLEGES

- California has the highest percentage of colleges serving undocumented and DACA students (so you are in the right place). I recommend starting your college search in California
- Look for sanctuary campuses or HSIs (Hispanic serving institutions)
- [Immigrants Rising](#) is a GREAT resource that I encourage you to use--especially for scholarships
- Make an appointment with your counselor or Ms. Santos for some help

### FINANCIAL AID

- Starting October 1st, you can fill out the [DREAM Act](#). It's the state equivalent of the FAFSA (which you cannot fill out)
- AB540- If you qualify for AB540, you can qualify for in state tuition
- If your parents are undocumented, but you are a US citizen then you will fill out FAFSA
- If you are an academically competitive student, you should consider applying to a private college or university. Quite have small cohorts of undocumented students, and upon admission offer amazing financial aid.
