FAMILY

VOLUME 37

WEEK OF 6/5/2023

Happy Monday Families!
We are almost at the finish line! With only 10 instructional days remaining. Teachers are still teaching the curriculum up until the last day of school.

As discussed last week in our parent meeting, it has been decided that Loving Academy will be repurposed. This means that Loving Academy will only have a pre-k program for school year 2023-2024. We want our students to continue to remain part of the NPFE school districts. School tours will be available within the next several weeks to visit some of our other campuses. More information will be forthcoming.

Please use the links below to complete the parent survey. Remember to sign your Scholar up for summer school for additional support over the summer break. If you need a paper copy, please call the main office, thanks.

If you have any questions or concerns, please reach out to me at aringo@npfeschools.org or send a message to (313) 751-8533.

Principal

Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning.
