Teaching and Learning

Lakewood invests in our staff by providing the tools and resources necessary to achieve high standards of excellence to reach every learner at every level.

We will

- ◆ Provide all staff members with resources and knowledge to improve instruction.
- ◆ Retain and recruit high quality teachers, administrators and staff.
- ◆ Align all subject and curricular areas through a well-defined process over a period of 5 years.
- ◆ Implement multi-tiered systems of support so that all students grow to full potential.
- ◆ Provide professional development and resources that support all aspects of student development.

Social Emotional Well-Being

Lakewood promotes a culture where all are physical and emotionally safe, by building relationships with our students, staff and their families.

We will

- ◆ Create positive outreach and feedback opportunities for families/community.
- ◆ Provide training and support for staff members.
- ◆ Provide evidence-based support for all students in order to improve student wellness.

LAKWOOD LOCAL SCHOOL DISTRICT STRATEGIC PLANNING AND GOALS

Facilities and Learning Environments

Lakewood creates a modern learning environment that adapts to our population and supports our highly qualified staff, providing a culture and climate to foster student achievement in all areas while maintaining financial responsibility.

We will

- ◆ Maintain fiscal responsibility when considering facilities improvements.
 - ◆ Review the master facilities list and communicate the completed items via the communications and trust committee.
 - ◆ Categorize remaining items on the master list and rank/prioritize those that require no new money and new money.
 - ◆ Determine timeline of facilities improvements based off the master list.
 - ◆ Provide a culture and climate that fosters student achievement via learning environments.
-

Communications and Trust

At Lakewood, we build trust one interaction at a time.

We will

- ◆ Provide the community with user-friendly access to relevant information through the district website.
- ◆ Continually explore new means of communication and networking to share the mission, vision and goals of the district.
- ◆ Engage various audiences through social media outlets by providing timely, relevant and regular posts.
- ◆ Communicate the strategic plan to various stakeholders in the community and provide updates of progress.
