NOTICE TO SENIOR CITIZENS MEASURE A PARCEL TAX EXEMPTION

On May 2, 2017, the voters of the City of Hayward approved Measure A, the "Quality Local Schools and Academic Excellence Measure of 2017" Parcel Tax. The money collected is used to protect critical education programs, with funds that cannot be taken by the State, including: math, reading, writing, and hands-on science classes/labs; enhancing library services, technology and college preparation programs; providing programs for all students to meet State academic standards; and attracting and retaining qualified teachers. All money collected will go towards classrooms. The Parcel Tax is \$88 per parcel annually, for twelve years, with an exemption for senior citizens and a mandatory citizens' oversight.

To qualify for the Senior Exemptions from the Parcel Tax, you must: 1) turn 65 years old prior to July 1, 2021; and, 2) own and occupy your property as your primary residence;

An exemption application from a qualified applicant will provide an exemption for that tax year only. However, qualified applicants will not be required to resubmit their exemption application for future tax years provided 1) the property was exempt in the immediately previous tax year, and 2) they continue to own and occupy the property. On an annual basis, the District will verify and renew existing exemptions and, if necessary, confirm with the original applicant that they continue to own and occupy the property.
