TEEN PARENT  
PROGRAM

## ABOUT US

Our program serves pregnant and parenting students, including parenting young men, who have not completed high school. Students receive academic support, as well as preparation for childbirth and parenting, college & career preparation mentoring, and agency referrals for health and social services- all within a supportive atmosphere and networking system designed to meet the students' individual needs. Free meals, formula, & diapers are provided.

### OUR TEAM

Jennifer Cambra • Caregiver (Teacher)
