(Education Code 49452.9)

In any such situation, the information shall be collected separately from the school enrollment process and the Superintendent or designee shall explain the limited purpose for which the information is collected. Enrollment in a district school shall not be denied on the basis of any such information of the student or their parents/guardians obtained by the district, or the student's or parent/guardian's refusal to provide such information to the district.

School registration information shall list all possible means of documenting a child's age for grades K-1 as authorized by Education Code 48002 or otherwise prescribed by the Board. Any alternative document allowed by the district shall be one that all persons can obtain regardless of immigration status, citizenship status, or national origin and shall not reveal information related to citizenship or immigrant status.

The Superintendent or designee shall immediately enroll a homeless student, foster youth, student who has had contact with the juvenile justice system, or a child of a military family regardless of outstanding fees or fines owed to the student's last school, lack of clothing normally required by the school, such as school uniforms, or their inability to produce previous academic, medical, or other records normally required for enrollment. DISTRICT RESIDENCY

The Governing Board desires to admit all students who reside within district boundaries or who fulfill the district residency requirements through other means as allowed by law. The Superintendent or designee shall develop procedures to facilitate the receipt and verification of students' proof of residency.

(cf. 5116 - School Attendance Boundaries)

The Superintendent or designee shall annually notify parents/guardians of all existing attendance options available in the district, including, but not limited to, all options for meeting residency requirements for school attendance. (Education Code 48980)

(cf. 5116.1 - Intradistrict Open Enrollment)

(cf. 5117 - Interdistrict Attendance)

(cf. 5145.6 - Parental Notifications)

The Superintendent or designee shall require parents/guardians to provide documentation of the student's residency upon admission to a district school. Verification of residency indicating the type of documents provided shall be maintained in the student's mandatory permanent record. (5 CCR 432)

(cf. 5111 - Admission)

(cf. 5125 - Student Records)

When establishing students' residency for enrollment purposes, the Superintendent or designee shall not inquire into the citizenship or immigration status of students or their family members.

(cf. 5145.13 - Response to Immigration Enforcement)

A student's enrollment may be denied when the submitted documentation is insufficient to establish district residency. In any such case, the Superintendent or designee shall notify the parent/guardian in writing, including specific reasons for the denial.

Investigation of Residency

When the Superintendent or designee reasonably believes that a student's parent/guardian has provided false or unreliable evidence of residency, they may make reasonable efforts to determine that the student meets district residency requirements. An investigation may be initiated when the Superintendent or designee is able to identify specific, articulable facts supporting the belief that the parent/guardian has provided false or unreliable evidence of residency. (Education Code 48204.1, 48204.2)

The Superintendent or designee may assign a trained district employee to conduct the investigation. The investigation may include the examination of records, including public records, and/or interviews of persons who may have knowledge of the student's residency.

If necessary, the Superintendent or designee may employ the services of a private investigator to conduct the investigation. Before hiring a private investigator, the Superintendent or designee shall make other reasonable efforts to determine whether the student resides in the district. (Education Code 48204.2)

The investigation shall not include the surreptitious collection of photographic or videographic images of persons or places subject to the investigation. However, the use of technology is not prohibited if done in open and public view. (Education Code 48204.2)

Any employee or contractor engaged in the investigation shall truthfully identify himself/herself as an investigator to individuals contacted or interviewed during the course of the investigation. (Education Code 48204.2)

Appeal of Enrollment Denial

If the Superintendent or designee, upon investigation, determines that a student does not meet district residency requirements and denies the student's enrollment in the district, they shall provide the student's parent/guardian an opportunity to appeal that determination. (Education Code 48204.2)

The Superintendent or designee shall send the student's parent/guardian written notice specifying the basis for the district's determination. This notice shall also inform the parent/guardian that they may, within 10 school days, appeal the decision and provide new evidence of residency.

The burden shall be on the parent/guardian to show why the district's determination to deny enrollment should be overruled. (Education Code 48204.2)

A student who is currently enrolled in the district shall be allowed to remain in attendance at their school pending the results of the appeal. A student who is not currently enrolled in the district shall not be permitted to attend any district school unless their appeal is successful.

In an appeal to the Superintendent of a determination that district residency requirements were not met, the Superintendent shall review any evidence provided by the parent/guardian or obtained during the district's investigation and shall make a decision within 10 school days of receipt of the parent/guardian's request for the appeal. The Superintendent's decision shall be final.

1. The student's parent/guardian resides within district boundaries. (Education Code 48200)
2. The student is placed within district boundaries in a regularly established licensed children's institution, a licensed foster home, or a family home pursuant to a court-ordered commitment or placement. (Education Code 48204)
3. The student is admitted through an interdistrict attendance option. (Education Code 46600, 48204, 48301, 48356)

(cf. 5117 - Interdistrict Attendance)

(cf. 5118 - Open Enrollment Act Transfers)

4. The student is an emancipated minor residing within district boundaries. (Education Code 48204)
5. The student lives with a caregiving adult within district boundaries and the caregiving adult submits an affidavit to that effect. (Education Code 48204)
6. The student resides in a state hospital located within district boundaries. (Education Code 48204)
7. The student is confined to a hospital or other residential health facility within district boundaries for treatment of a temporary disability. (Education Code 48204, 48207)

(cf. 6183 - Home and Hospital Instruction)

9. The student's parent/guardian, while on active military duty pursuant to an official military order, is transferred or is pending transfer to a military installation within **the state**. (Education Code 48204.3)

(cf. 6173.2 - Education of Children of Military Families)

10. The student's parent/guardian was a resident of California who departed the state against their will due to a transfer by a government agency that had custody of the parent/guardian, a lawful order from a court or government agency authorizing their removal, or removal or departure pursuant to the federal Immigration and Nationality Act, and the student lived in California immediately before moving out of state as a result of their parent/guardian's departure. (Education Code 48204.4)

(cf. 5145.13 - Response to Immigration Enforcement)

Residency Based on Parent/Guardian Employment (Allen Bill Transfers)

District residency status may be granted to a student if at least one of their parents/guardians is physically employed within district boundaries for a minimum of 10 hours during the school week. No student seeking residency on this basis shall be denied enrollment based on race, ethnicity, sex, parental income, scholastic achievement, or any of the individual characteristics set forth in Education Code 220. However, the Superintendent or designee may deny enrollment into the district if any of the following circumstances is present: (Education Code 48204)

2. Enrollment of the student would adversely affect the district's court-ordered or voluntary desegregation plan as determined by the Governing Board.
3. Other circumstances exist that are not arbitrary.
4. Such circumstances may include, but are not limited to, overcrowding of school facilities at the relevant grade level.

Once a student establishes residency on this basis, they shall not be required to reapply for enrollment in subsequent years. The student may continue to attend school in the district through the highest grade level offered by the district if the parent/guardian so chooses and if at least one parent/guardian of the student continues to be physically employed by an employer situated within district boundaries, subject to the exceptions in items #1-3 above. (Education Code 48204)

The Superintendent or designee may deny a transfer out of the district by a student whose parent/guardian is employed within the boundaries of another district if the difference between the number of students entering and exiting the district on the basis of parent/guardian employment exceeds the limits prescribed in Education Code 48204. (Education Code 48204)

Proof of Residency

The district shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members for the purpose of determining residency within the district. (Education Code 234.7)

Evidence of residency may be established by documentation showing the name and address of the parent/guardian within the district, including, but not limited to, any of the following: (Education Code 48204.1)

9. If the student is residing in the home of a caregiving adult within district boundaries, an affidavit executed by the caregiving adult in accordance with Family Code 6552

(cf. 5141 - Health Care and Emergencies)

A parent/guardian seeking residency status on the basis of their employment within district boundaries shall submit proof of the employment which may include, but not be limited to, a paycheck stub or letter from their employer listing a physical address within district boundaries. Such evidence shall also indicate the number of hours or days per school week that the parent/guardian is employed at that location.

A parent/guardian who is transferred or pending transfer into a military installation within the state shall provide proof of residence in the district within 10 days after the published arrival date provided on official documentation. For this purpose, they may use as their address a temporary on-base billeting facility, a purchased or leased home or apartment, or federal government or public-private venture off-base military housing. (Education Code 48204.3)

A student whose parent/guardian's departure from the state occurred against their will pursuant to item #10 in the section "Criteria for Residency" above shall be in compliance with district residency requirements if they provide official documentation of the parent/guardian's departure and evidence demonstrating that the student was enrolled in a public school in California immediately before moving outside the state. (Education Code 48204.4)

Any homeless or foster youth or student who has had contact with the juvenile justice system shall be immediately enrolled in school even if they are unable to provide proof of residency. (Education Code 48645.5, 48852.7, 48853.5; 42 USC 11432)

RESPONSE TO IMMIGRATION ENFORCEMENT

Note: Pursuant to Education Code 234.7, as added by AB 699 (Ch. 493, Statutes of 2017), districts are **mandated** to adopt policy consistent with a model policy developed by the California Attorney General which limits assistance with immigration enforcement at public schools. See Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Immigration Issues, available on the web site of the Office of the Attorney General. Except as otherwise noted below, the following policy reflects the mandated policy statements. See the accompanying administrative regulation, BP 0410 - Nondiscrimination in District Programs and Activities, BP/AR 5111 - Admission, AR 5111.1 - District Residency, BP/AR 5125 - Student Records, AR/E 5125.1 - Release of Directory Information, and BP 5131.2 - Bullying for additional language fulfilling this mandate.

The Governing Board is committed to the success of all students and believes that every school site should be a safe and welcoming place for all students and their families irrespective of their citizenship or immigration status.

District staff shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at district schools, except as may be required by state and federal law or to administer district programs. (Education Code 234.7)

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

Note: Education Code 234.1 mandates that districts adopt policy prohibiting discrimination, harassment, intimidation, and bullying based on the actual or perceived characteristics set forth in Penal Code 422.55 and Education Code 220. As amended by AB 699 (Ch. 493, Statutes of 2017), Education Code 234.1 expressly includes immigration status among the protected categories. See BP 0410 - Nondiscrimination in District Programs and Activities and BP 5145.3 - Nondiscrimination/Harassment for language fulfilling this mandate.

No student shall be denied equal rights and opportunities nor be subjected to unlawful discrimination, harassment, intimidation, or bullying in the district's programs and activities on the basis of his/her immigration status. (Education Code 200, 220, 234.1)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 5131.2 - Bullying)

(cf. 5145.9 - Hate-Motivated Behavior)

Note: Pursuant to Education Code 234.7, as added by AB 699 (Ch. 493, Statutes of 2017), the district must notify parents/guardians of their children's right to a free public education regardless of immigration status, including "Know Your Educational Rights" information as contained in the Office of the Attorney General publication Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to

Assist California's K-12 Schools in Responding to Immigration Issues. Such notice may be included in the annual parental notification provided pursuant to Education Code 48980 or through any other cost-effective means. Also see BP 0410 - Nondiscrimination in District Programs and Activities.

The Superintendent or designee shall notify parents/guardians regarding their children's right to a free public education regardless of immigration status or religious beliefs and their rights related to immigration enforcement. (Education Code 234.7)

(cf. 5145.6 - Parental Notifications)

Consistent with requirements of the California Office of the Attorney General, the Superintendent or designee shall develop procedures for addressing any requests by a law enforcement officer for access to district records, school sites, or students for the purpose of immigration enforcement.

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

(cf. 5125 - Student Records)

(cf. 5125.1 - Release of Directory Information)

The Superintendent or designee shall report to the Board in a timely manner any requests for information or access to a school site by an officer or employee of a law enforcement agency for the purpose of enforcing the immigration laws. RESPONSE TO IMMIGRATION ENFORCEMENT

Responding to Requests for Information

Unless authorized by the Family Educational Rights and Privacy Act pursuant to 20 USC 1232g, student information shall not be disclosed to immigration law enforcement authorities without parental consent, a court order, or judicial subpoena. The Superintendent or designee shall annually notify parents/guardians that the district will not release student information to third parties for immigration enforcement purposes, unless the parent/guardian consents or as required to do so by a court order or judicial subpoena.

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

(cf. 5125 - Student Records)

(cf. 5125.1 - Release of Directory Information)

Upon receiving any verbal or written request for information related to a student's or family's immigration or citizenship status, district staff shall:

1. Notify the Superintendent or designee about the information request
2. Provide students and families with appropriate notice and a description of the immigration officer's request
3. Document any request for information by immigration authorities
4. Provide students and parents/guardians with any documents provided by the immigration enforcement officer, unless such disclosure is prohibited by a subpoena served on the district or in cases involving investigations of child abuse, neglect, or dependency

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Resources and data collected by the district shall not be used, directly or by others, to compile a list, registry, or database of individuals based on national origin, immigration status, religion, or other category of individual characteristics protected against unlawful discrimination. (Government Code 8310.3)

Responding to Requests for Access to Students or School Grounds

District staff shall receive parent/guardian consent before a student is interviewed or searched by any officer seeking to enforce civil immigration laws at the school, unless the officer presents a valid, effective warrant signed by a judge or a valid, effective court order. A student's parent/guardian shall be immediately notified if a law enforcement officer requests or gains

access to the student for immigration enforcement purposes, unless the judicial warrant or subpoena restricts disclosure to the parent/guardian.

(cf. 5145.12 - Search and Seizure)

All visitors and outsiders, including immigration enforcement officers, shall register with the principal or designee upon entering school grounds during school hours. Each visitor or outsider shall provide the principal or designee with his/her name, address, occupation, age if less than 21, purpose in entering school grounds, proof of identity, and any other information required by law. (Penal Code 627.2, 627.3)

(cf. 1250 - Visitors/Outsiders)

As early as possible, district staff shall notify the Superintendent or designee of any request by an immigration enforcement officer for access to the school or a student or for review of school documents, including service of lawful subpoenas, petitions, complaints, warrants, or other such documents.

In addition, district staff shall take the following actions in response to an officer present on the school campus specifically for immigration enforcement purposes:

1. Advise the officer that before school personnel can respond to the officer's request, they must first receive notification and direction from the Superintendent or designee, except under exigent circumstances that necessitate immediate action
2. Request to see the officer's credentials, including his/her name and badge number, and the phone number of the officer's supervisor, and note or make a copy of all such information
3. Ask the officer for his/her reason for being on school grounds and document the response
4. Request that the officer produce any documentation that authorizes his/her school access
5. Make a copy of all documents produced by the officer and retain one copy for school records
6. If the officer declares that exigent circumstances exist and demands immediate access to the campus, comply with the officer's orders and immediately contact the Superintendent or designee
7. If the officer does not declare that exigent circumstances exist, respond according to the requirements of the officer's documentation, as follows:
 - a. If the officer has an Immigrations and Customs Enforcement (ICE) administrative warrant, district staff shall inform the agent that they cannot consent to any request without first consulting with the district's legal counsel or other designated district official.

- b. If the officer has a federal judicial warrant, such as a search and seizure warrant or an arrest warrant signed by a federal judge or magistrate, district staff shall promptly comply with the warrant. If feasible, district staff shall consult with the district's legal counsel or designated administrator before providing the officer with access to the person or materials specified in the warrant.
 - c. If the officer has a subpoena for production of documents or other evidence, district staff shall inform the district's legal counsel or other designated official of the subpoena and await further instructions as to how to proceed.
- 8. Do not attempt to physically impede the officer, even if the officer appears to be exceeding the authorization given under a warrant or other document. If an officer enters the premises without consent, district staff shall document the officer's actions while on campus.
- 9. After the encounter with the officer, promptly make written notes of all interactions with the officer, including:
 - a. A list or copy of the officer's credentials and contact information
 - b. The identity of all school personnel who communicated with the officer
 - c. Details of the officer's request
 - d. Whether the officer presented a warrant or subpoena to accompany his/her request, what was requested in the warrant or subpoena, and whether the warrant or subpoena was signed by a judge
 - e. District staff's response to the officer's request
 - f. Any further action taken by the officer
 - g. A photo or copy of any documents presented by the officer
- 10. Provide a copy of these notes and associated documents collected from the officer to the district's legal counsel or other designated district official

The district's legal counsel or other designated official shall submit a timely report to the Governing Board regarding the officer's requests and actions and the district's responses. (Education Code 234.7)

The Superintendent or designee shall also email the Bureau of Children's Justice in the California Department of Justice (BCJ@doj.ca.gov) regarding any attempt by a law enforcement officer to access a school site or a student for immigration enforcement purposes.

Responding to the Detention or Deportation of Student's Family Member

The Superintendent or designee shall encourage students and their families to update their emergency contact information as needed throughout the school year and to provide alternative contacts, including an identified trusted adult guardian, in case a student's parent/guardian is detained or is otherwise unavailable. The Superintendent or designee shall notify students' families that information provided on the emergency cards will only be used in response to specific emergency situations and not for any other purpose.

(cf. 5141 - Health Care and Emergencies)

The Superintendent or designee shall also encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information, medication lists, lists of allergies, and other such information that would allow the students and families to be prepared in the event that a family member is detained or deported.

In the event that a student's parent/guardian is detained or deported by federal immigration authorities, the Superintendent or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The Superintendent or designee shall only contact child protective services if district personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit.

The Superintendent or designee shall notify a student whose parent/guardian was detained or deported that the student continues to meet the residency requirements for attendance in a district school, provided that the parent/guardian was a resident of California and the student lived in California immediately before he/she moved out of state as a result of the parent/guardian's departure. (Education Code 48204.4)

(cf. 5111.1 - District Residency)

The Superintendent or designee may refer a student or his/her family members to other resources for assistance, including, but not limited to, an ICE detainee locator, legal assistance, or the consulate or embassy of the parent/guardian's country of origin.

(cf. 5145.9 - Hate-Motivated Behavior)

(cf. 5146 - Married/Pregnant/Parenting Students)

(cf. 6164.6 - Identification and Education Under Section 504)

This policy shall apply to all acts related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which has an impact or create a hostile environment at school.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also includes the creation of a hostile environment through prohibited conduct that is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

NONDISCRIMINATION/HARASSMENT (continued)

Note: Pursuant to Education Code 234.1 and 34 CFR 106.8, a district is required to adopt and publicize its nondiscrimination policies to the school community. The following paragraph may be modified to reflect district practice.

In addition, in its October 2010 Dear Colleague Letter: Harassment and Bullying, OCR identifies training of the school community as one of the key measures for minimizing discriminatory and harassing behavior in school. See the accompanying administrative regulation for specific measures to prevent discrimination and facilitate students' access to the educational program.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. He/she shall report his/her findings and recommendations to the Board after each review.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Measures to Prevent Discrimination

To prevent unlawful discrimination, including discriminatory harassment, intimidation, retaliation, and bullying, of students at district schools or in school activities and to ensure equal access of all students to the educational program, the Superintendent or designee shall implement the following measures:

1. Publicize the district's nondiscrimination policy and related complaint procedures, including the coordinator/compliance officer's contact information, to students, parents/guardians, employees, volunteers, and the general public by posting them on the district's web site, other prominent locations, and providing annual notification to parents and students.
2. Post in a prominent and conspicuous location on the district and school web sites information regarding Title IX prohibitions against discrimination based on a student's sex, gender, gender identity, gender expression, pregnancy, and parental status, including the following: (Education Code 221.61)
 - a. The name and contact information of the district's Title IX coordinator, including the phone number and email address
 - b. The rights of students and the public and the responsibilities of the district under Title IX, including a list of rights as specified in Education Code 221.8 and web links to information about those rights and responsibilities located on the web sites of the Office for Equal Opportunity and the U.S. Department of Education's Office for Civil Rights (OCR)
 - c. A description of how to file a complaint of noncompliance with Title IX in accordance with AR 1312.3 - Uniform Complaint Procedures, which shall include:
 - (1) An explanation of the statute of limitations within which a complaint must be filed after an alleged incident of discrimination has occurred and how a complaint may be filed beyond the statute of limitations
 - (2) An explanation of how the complaint will be investigated and how the complainant may further pursue the complaint, including web links to this information on the OCR's web site

- (3) A web link to the OCR complaints form and the contact information for the office, including the phone number and email address for the office

(cf. 1113 - District and School Web Sites)

(cf. 1114 - District-Sponsored Social Media)

3. Provide to students a handbook that contains age-appropriate information that clearly describes the district's nondiscrimination policy, procedures for filing a complaint, and resources available to students who feel that they have been the victim of any such behavior. (Education Code 234.1)
4. Annually notify all students and parents/guardians of the district's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students, including transgender and gender-nonconforming students. The notice shall inform students and parents/guardians that they may request to meet with the compliance officer to determine how best to accommodate or resolve concerns that may arise from the district's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's interests and concerns in private.

(cf. 5145.6 - Parental Notifications)

5. The Superintendent or designee shall ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. 6. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and information regarding the district's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students, including transgender and gender-nonconforming students.

8. At the beginning of each school year, inform each principal or designee of the district's responsibility to provide appropriate assistance or resources to **protect students** from threatening or potentially discriminatory behavior **and ensure their privacy rights**.

Process for Initiating and Responding to Complaints

Note: Education Code 234.1 requires that districts adopt a process for receiving and investigating complaints of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, and bullying. Such a
--

process, which is required to be consistent with the uniform complaint procedures specified in 5 CCR 4600-4687-4670, must include (1) a requirement that school personnel who witness an act take immediate steps to intervene when safe to do so, (2) a timeline for investigating and resolving complaints, (3) an appeal process, and (4) translation of forms when required by Education Code 48985. In addition, federal regulations require districts to adopt procedures providing for the prompt and equitable resolution of complaints of discrimination on the basis of sex (34 CFR 106.8), disability (34 CFR 104.7 and 28 CFR 35.107), and age (34 CFR 110.25). OCR guidance on federal civil rights requirements notes that districts may have a responsibility to respond to notice of discrimination whether or not a formal complaint is filed. In addition, districts may have an obligation to respond to notice of sexual harassment of students which occurs off school grounds or outside school-sponsored or school-related programs or activities, since the sexual harassment may still create a hostile environment at school. This principle would also apply to harassment on other bases, such as race, gender, or disability.

Any student who feels that he/she has been subjected to unlawful discrimination described above or in district policy is strongly encouraged to immediately contact the principal or designee, any staff member, district administrator, or compliance officer. In addition, any student who observes any such incident is strongly encouraged to report the incident to the principal, school administrator or other designee, any other staff member, or compliance officer whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to principal or other school administrator designee or compliance officer within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a verbal report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or administrative designee, district administrator, or compliance officer, he/she shall make a note of the report and encourage the student or parent/guardian to file the complaint in writing, pursuant to the provisions in AR 1312.3 - Uniform Complaint Procedures. Once notified verbally or in writing, the principal or administrative designee, district administrator or compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal or designee, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense of his/her gender, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Transgender student means a student whose gender identity is different from the gender he/she was assigned at birth.

Regardless of whether they are sexual in nature, acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment are prohibited. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with their gender identity
2. Disciplining or disparaging a student or excluding them from participating in activities for behavior or appearance that is consistent with their gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the restroom that corresponds to their gender identity.
4. Taunting a student because they participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
6. Use of gender-specific slurs
7. Physical assault of a student motivated by hostility toward them because of their gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. **Right to privacy:** A student's transgender or gender-nonconforming status is their private information and the district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission prior to notifying others with a legitimate educational need to know. If the student refuses to give permission, the employee shall keep the student's information confidential, unless he/she is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to his/her status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the employee may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to their parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

(cf. 1340 - Access to District Records)
(cf. 3580 - District Records)

2. **Determining a Student's Gender Identity:** District staff shall accept the student's assertion of their gender identity and begin to treat the student consistent with their gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.
3. **Addressing a Student's Transition Needs:** The compliance officer, principal or designee shall arrange a meeting with the student and, if appropriate, their parents/guardians to identify and develop strategies for ensuring that the student's access to education

programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer, principal or designee shall identify specific school site employee(s) to whom the student may report any problem related to their status as a transgender or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting their educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. **Accessibility to Sex-Segregated Facilities, Programs, and Activities:** When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, access to a staff member's office, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because they are transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with their gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with their gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

(cf. 6153 - School-Sponsored Trips)

(cf. 7110 - Facilities Master Plan)

Note: 5 CCR 432 requires the legal name, sex, date of birth, etc., of a student to be maintained as part of the student's "mandatory permanent student records" but does not prohibit keeping of other records, such as a student's preferred name, as part of the student's "permitted student records."

5. **Student Records:** A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. However, at the written request of a student or, if appropriate, their parents/guardians, the district shall use the student's preferred name and pronouns consistent with their gender identity on all other district-related documents. Such preferred name may be added to the student's record and official documents as permitted by law.

(cf. 5125 - Student Records)
(cf. 5125.1 - Release of Directory Information)

6. Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronouns consistent with their gender identity, without the necessity of a court order or a change to their official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.
7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with their gender identity, subject to any dress code adopted on a school site.

(cf. 5132 - Dress Code)
