

Annual Report of Certain Financial and Local Debt Information

Fiscal Year Ended June 30, 2020

Denotes Required Information Pursuant to Local Government Code, Section 140.008

This report was posted on the District's website on December 18, 2020.

☑ Overview of Certain Financial/Bond Ratings

- ☐ **Overview:** Krum Independent School District (the “District”) has been assigned the following independent financial/bond ratings that indicate the relative strength of the District’s financial and debt management:
 - **School Financial Integrity Rating System of Texas (“FIRST”):** Pursuant to Subchapter D, Chapter 39 of the Texas Education Code, the State annually deploys a financial accountability rating system to distinguish the level of a school district’s financial performance based upon certain uniform criteria.
 - ✓ Based on data for year 2018/19, the District was assigned a 2019/20 FIRST Rating of “Superior” and the District’s score was 98 out of a possible 100 points.
 - **Credit Ratings:** The District also maintains independent ratings from certain nationally recognized credit rating agencies, such as S&P Global Ratings, that evaluate the District’s financial strength and its ability to pay its existing bonds.
 - ✓ **S&P Global Ratings:** Assigns a “AA-” credit rating to the District, defined as “Having a very strong capacity to meet its financial commitments. It differs from the highest rating only to a small degree.”

Overview of State Funding System

- ❑ **State Funding System – Where Do the District’s Revenues Come From:** Krum ISD is legally required to operate pursuant to the requirements of the Texas Education Code. In particular, the Texas Education Code determines the District’s ability to generate local tax revenues for maintenance & operation purposes and for the repayment of voter-approved bonds. In this regard, the District annually sets two (2) separate tax rates that are levied upon its certified taxable value that is independently determined by the Denton Central Appraisal District and Wise County Appraisal District:
- **Maintenance & Operations (“M&O”) Tax Rate:** To provide funds for the “day to day” operational expenses of the District, including instructional programs, teacher salaries, instructional supplies, security, student transportation, extracurricular activities, utilities, facility infrastructure/maintenance, etc.
 - ✓ The District’s annual funds for maintenance & operation purposes primarily consist of a combination of State funding and local M&O taxes. In general, the dollar amount of each component is determined by the District’s “Equalized Wealth per Student” (i.e. taxable value / weighted average daily attendance) as set by the State. For year 2019/20, the District’s sources for M&O revenues are summarized to the right.
 - ✓ On September 6, 2014, voters approved a tax ratification election to increase the District’s M&O tax rate to \$1.17. Prior to such ratification, the District was limited to a \$1.04 tax rate for maintenance and operations. Beginning in year 2019/20, the District’s M&O tax rate is subject to compression pursuant to House Bill 3 that was enacted during the 2019 legislative session.

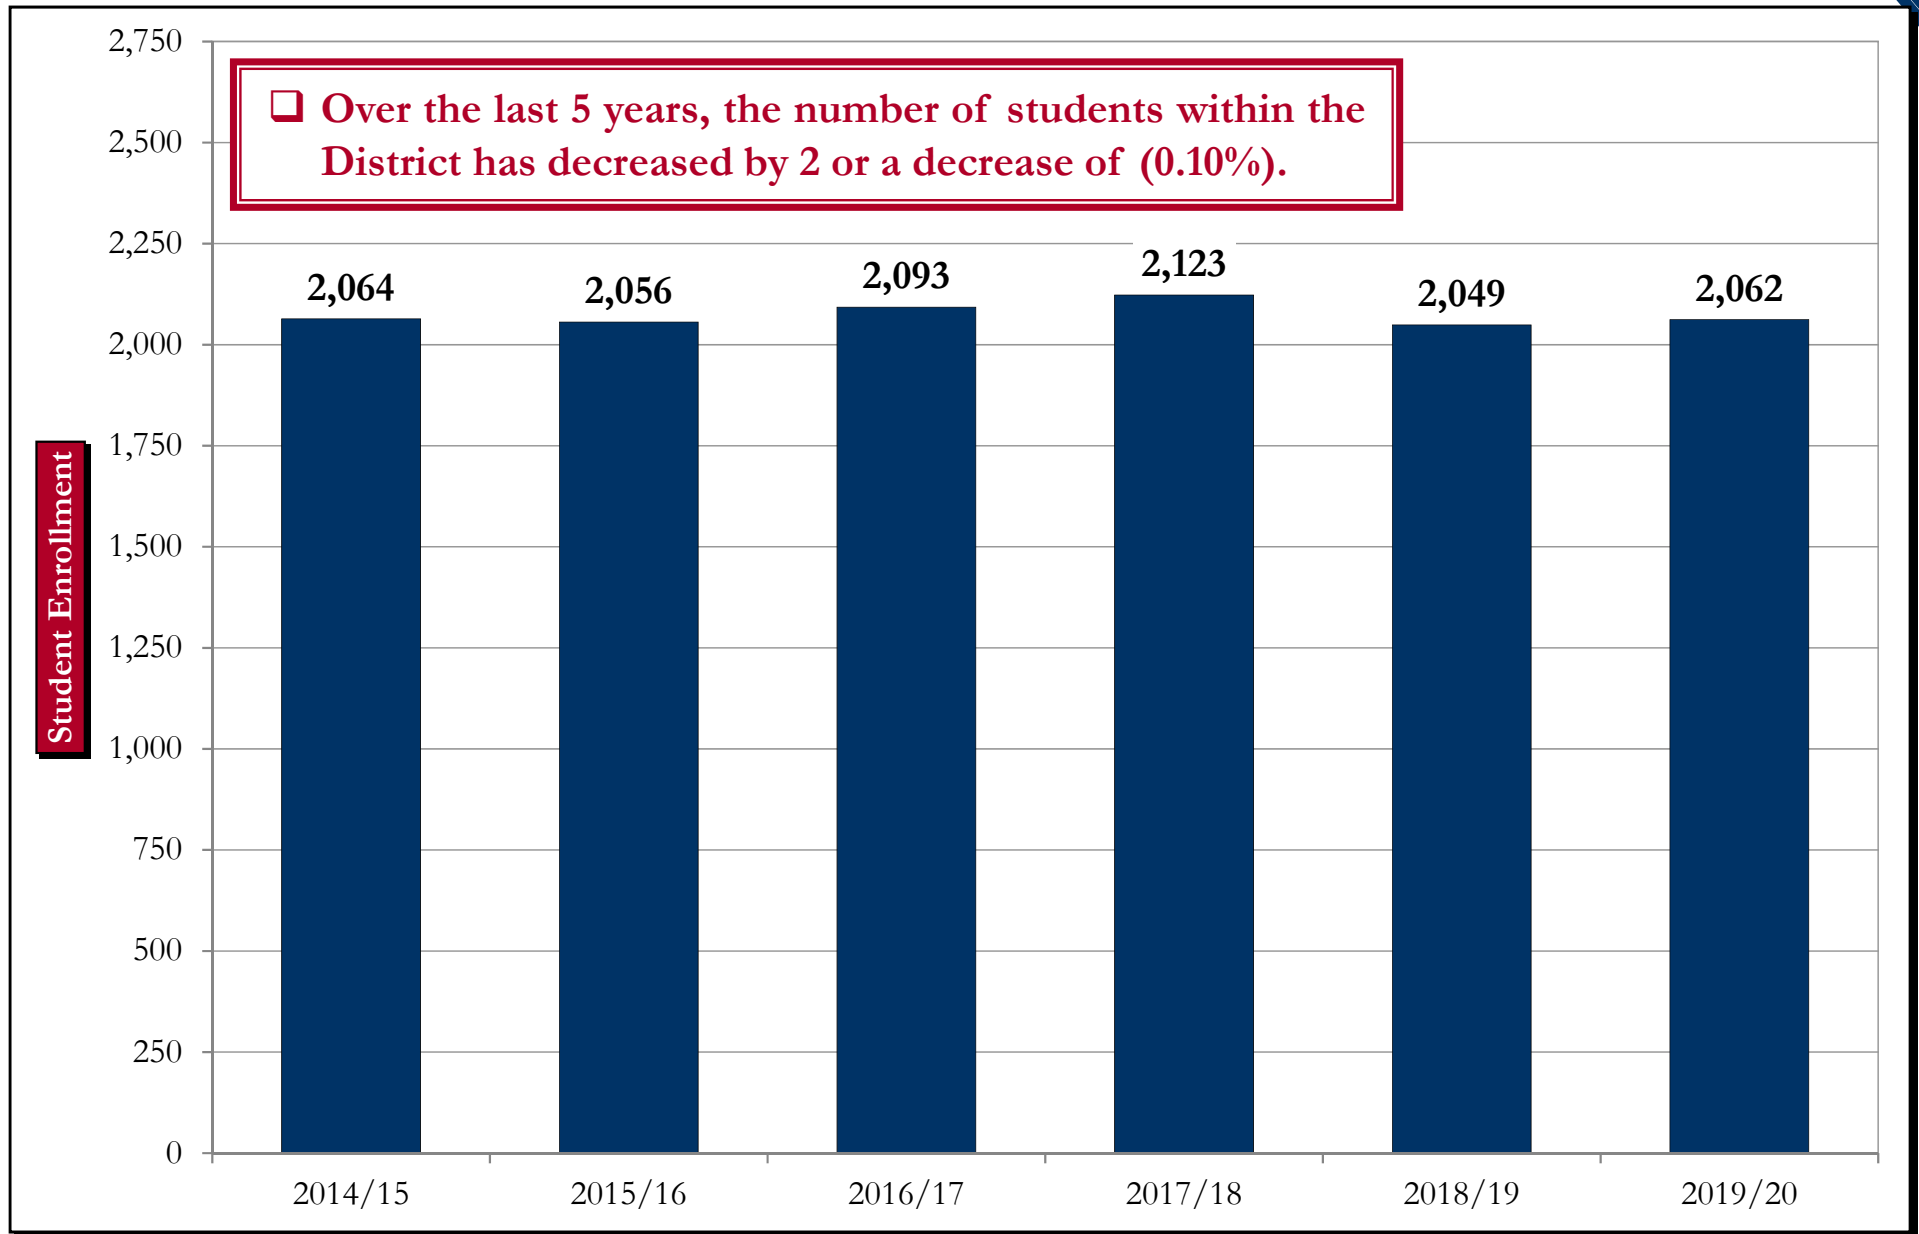

☑ Overview of State Funding System

- **Interest & Sinking Fund (“I&S”) Tax Rate:** To provide funds to pay the principal and interest on bonds approved by a majority of voters for capital improvements. The District does not receive any facilities funding from the State for the payment of bonds. The following summarizes the District’s bond programs approved by voters over the last 20 years:
